Preparation of Disclosure of Crime Statistics

Mt. San Jacinto College, Riverside Sheriff's Office, and The Campus Safety Department prepare this report annually to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with, but not limited to, the local law enforcement agencies surrounding the main campus and alternate sites, Campus Safety Authorities, and Campus Safety Officers. Data is compiled from the sources and combined to create the crime statistics.

Mt. San Jacinto College (MSJC or District) is dedicated to providing a safe and healthy campus environment for students, employees, and the public who visit our campus.

The Campus Safety Department operates seven days a week. The dispatch line is answered 24 hours a day. A Riverside County Sheriff's Deputy assigned to the campus along with a campus safety officer is on duty during these times to respond to calls for assistance.

In 1990, the U.S. Congress enacted the "Crime Awareness and Campus Security Act of 1990," which requires colleges and universities to disclose information about crime on and around their campuses. This law was renamed in 1992 to the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act." The following information is available to the public and provides statistical, policy, and procedural information required by law.

Campus crime, arrest and referral statistics include those reported to the MSJC Campus Safety Department, designated campus officials, and local law enforcement. These statistics may also include crimes that have occurred in private residences or businesses that are near the campus and are not required by law. California law (11160 of the California Penal Code) requires prompt, mandatory reporting to the local law enforcement agency by health care Practitioners when they provide medical services to a person they know, or reasonably suspects is suffering from wounds inflicted by a firearm or is a result of assaultive or abusive conduct. The Student Health Center staff inform their clients of the procedures to report crimes to the MSJC Campus Safety Department/Riverside Sheriff's Department on a voluntary and/or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentiality during such a session.

Statement Addressing Roles of Campus Safety Officers

Mt. San Jacinto Campus Safety Officers have numerous roles on campus. Campus Safety Officers issue parking citations, which are processed from a third-party vendor; IPark, and are enforced by the California Department of Motor Vehicles. MSJC Campus Safety Officers do not possess powers of arrest. The role of the MSJC Campus Safety Department is to seek to maintain a safe learning environment on all MSJC campuses. This is accomplished by patrolling and observing campus facilities, parking lots and adjacent areas; protecting persons, property; enforce applicable laws, ordinances, and monitoring CCTV, and serving as a deterrent to undesirable activity. The Campus Safety Department is supplemented by the onsite Riverside Sheriff Deputies assigned to each MSJC Campus during day and evening shifts. The Director of Campus Safety Monitors and reports all criminal activity on campus via reports submitted by campus safety officers, Riverside Sheriff's Department, and other law enforcement agencies.

Riverside Sheriff's Department has jurisdiction on MSJC campuses with a Memorandum of Understanding (MOU). Riverside Sheriff Deputies have the power to arrest on all MSJC campuses. The Campus Safety Department maintains a highly professional working relationship with all local law enforcement agencies. All crime victims and witnesses are strongly encouraged to immediately report crimes to the MSJC Campus Safety Department or the Riverside Sheriff's Department, or the local law enforcement agency with jurisdiction where the crime occurred. Prompt reporting will ensure timely warning notices on campus and timely disclosure of crime statistics.

Campus Security Authorities (CSA)

Campus Security Authority (CSA) Campus Security Authority is a Clery specific term that encompasses four groups of individuals and organizations associated with an institution.

- A police department or a campus safety or security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.

- An official of an institution who has significant responsibility for student and campus activities, including but not limited to, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to act or respond to particular issues on behalf of the institution. Examples of CSA's, include:

- College Administrative Officers/Assistants
- Title IX
- Student Judicial Affairs Coordinator
- Student Organization Sponsors
- Deans/Directors

Statistical crime information from MSJC Campus Safety Department, other CSA's, and outside law enforcement agencies such as the Menifee Police Department, Banning Police Department, and the Riverside County Sheriff's Department is integrated into a single report, included at the end of this document, on the MSJC Campus Safety Department web page, and provided in a hard copy document upon request. These statistics are also reported to the US Department of Education.

Reporting of Criminal Offenses

Faculty, Staff and Students of Mt. San Jacinto College who are witnesses or victims of a crime should immediately report the crime to the Campus Safety and Riverside Sheriff's Department. (Campus Safety/Riverside Sheriff: 951-639-5188) Or come into the Campus Safety Office as an assigned Riverside Sheriff's Deputy has an office inside each campus safety location on each MSJC campus. If you are the victim of a crime and do not want to pursue action within the district's system, or within the criminal justice system, you may still want to consider making a confidential report. With your permission, the MSJC Campus Safety Department can connect you with the Title IX Officer to file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the district can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are reported and disclosed in the annual crime statistics for the institution.

Riverside Sheriff Deputies are assigned at each campus during day and evening shifts. Riverside Sheriff's offices are contained within the MSJC Campus Safety Office at the San Jacinto, Menifee, and Temecula campuses. MSJC Strives for Accurate and Prompt Reporting as this assist the college with accurate and up to date information for the safety of students/faculty/and staff. MSJC desires the reporting of all criminal offenses, and ensures persons who wish to remain confidential do so.

CONFIDENTIAL REPORTING POLICIES (MSJC [AP 3515](#).)

If a victim of a crime does not wish to pursue action through the District's administrative system or the area judicial system, a confidential report may be made. With the victim's permission, the Director of Campus Safety, or designee, can file a report of an incident without revealing the victim's identity. Please note the following exceptions to confidential reporting: minors (17 years of age and under), disabled persons, and/or persons over 65 years of age. The purpose of confidential reporting procedures is to comply with the request to maintain confidentiality while taking steps to ensure the victim's safety and the safety of others. This information will assist the District in maintaining accurate records concerning types of incidents and those involved. Additionally, the District will be able to determine crime patterns revealing particular locations, methods, and suspects. This will aid in developing proactive approaches to prevent potential dangers and providing "timely warnings" to the college community. Confidential reports will be counted and disclosed in the District's Annual Clery Report.

Sexual Assault Policy Statement

The Mt. San Jacinto College District, to the fullest extent possible, ensures that students, faculty and staff who are victims of sexual assault committed on or upon the grounds of facilities maintained by the district, shall receive treatment and information to deal with the assault. Sexual assault includes, but is not limited to rape, sodomy, oral copulation, or rape by a foreign object, sexual battery, or threat of sexual assault.

The district recognizes one of the most important ways to assist students, faculty and staff who are victims of sexual assault is to help them regain a sense of control over their lives. The district will make every effort to help the victim become aware of the options and alternatives available as well as to aid the victim in making an informed decision as to a course of action.

Applicable state and federal provisions will be applied in maintaining confidentiality in handling of all sexual assault cases. Individual rights to privacy in these matters will dictate District policy, practice, and procedure.

During the hours of operation, the Title IX Officer is the referral source for information relating to the rights, options and services available to a sexual assault victim.

After hours, law enforcement personnel, counselors and Campus Safety Officers can also assist with this information. If you are a victim of sexual misconduct, you may file an online report on the Mt. San Jacinto website on the Title IX department page under MSJC/Human Resources/Title IX.

Mt. San Jacinto College Sexual Assault Policy

AP3540

All reports of sexual assault or physical abuse on campus are investigated by the District's contracted law enforcement agency and/or the Title IX Coordinator. Resources are made available to victims in accordance with applicable state and federal law.

Victims are encouraged to report crime to the District's contracted law enforcement agency, and the Title IX Coordinator may provide assistance with reporting.

The Counseling Department and Student Health Services may also assist in contacting the proper authorities.

Any sexual assault or physical abuse, including, but not limited to, rape, domestic violence, dating violence, or stalking, as defined by California law, whether committed by an employee, student, or member of the public, that occurs on District property, or within the boundaries dictated by the Clery Act, in connection with any academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and procedures and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. (See Administrative Procedure 5500 Standards of Student Conduct.)

"Sexual assault," "dating violence," "domestic violence," and "stalking" are defined in [Administrative Procedure 3434](#) Responding to Sexual Harassment Under Title IX.

These written procedures and protocols are designed to ensure victims of domestic violence, dating violence, sexual assault, or stalking receive treatment and information. (For physical assaults/violence, also see [AP 3500](#) Campus Safety, [AP 3510](#) Workplace Violence, and [AP 3515](#) Reporting of Crimes).

All students, faculty members, or staff members who allege they are the victim of domestic violence, dating violence, sexual assault, or stalking on District property shall be provided with information regarding options and assistance available to them. Information shall be available from the Title IX Coordinator and/or the District's contracted law enforcement agency, who shall maintain the identity and other information about alleged sexual assault victims as confidential unless and until authorized to release such information.

In the event of sexual assault or physical abuse being reported to Campus Safety, the following steps will be taken:

A) The Campus Safety Officer will contact the Director of Campus Safety and Title IX Coordinator and create an incident report.

B) The contracted law enforcement agency's responding officer will obtain appropriate information from the victim and contact the victim's guardian and/or person requested by the victim.

C) The contracted law enforcement agency's responding officer or Title IX Coordinator will provide resources including, but not limited to, a referral to off-campus services.

All alleged victims of domestic violence, dating violence, sexual assault, or stalking will be provided the following upon request:

- A copy of the District's policy and procedure regarding domestic violence, dating violence, sexual assault or stalking (Title IX Coordinator);
- A list of personnel on campus who should be notified and procedures for such notification, if the alleged victim consents including: Superintendent/President of the college, Director of Student Judicial Affairs, as well as the appropriate law enforcement agency (Title IX Coordinator);
- Information about the importance of preserving evidence and the identification and location of witnesses (contracted law enforcement agency);
- A description of available services and the persons on campus available to provide those services if requested. Services and those responsible for providing or arranging them include, but are not limited to:
- Transportation to a hospital, if necessary (contracted law enforcement agency or local ambulance service);
- Referral to Student Health Services or an outside counseling center (Campus Safety or Title IX Coordinator);
- Notice to the appropriate city/county law enforcement agency, if desired (Campus Safety or Title IX Coordinator); and
- A list of other available campus resources or appropriate off-campus resources (Title IX Coordinator).
- The victim's option to:
- Notify proper law enforcement authorities, including on-campus and local police;
- Be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and
- Decline to notify such authorities (contracted law enforcement agency or Title IX Coordinator);

- Information about the participation of victim advocates and other supporting individuals (contracted law enforcement agency or Title IX Coordinator);
- The rights of victims and the institution's responsibilities regarding orders of protection, no contact orders, or similar lawful orders issued by a court (contracted law enforcement agency or Title IX Coordinator);
- Information about how the district will protect the confidentiality of victims (Title IX Coordinator); and
- Written notification to victims about options for, and available assistance in, changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to the contracted law enforcement agency (Title IX Coordinator);
- A description of each of the following procedures:
 - Criminal prosecution (contracted law enforcement agency).
 - Civil prosecution (i.e., lawsuit) (contracted law enforcement agency);
 - District disciplinary procedures, both student and employee (Vice President of Human Resources or Title IX Coordinator).
 - Modification of class schedules (Title IX Coordinator); and
 - Tutoring, if necessary (Title IX Coordinator).

The Title IX Coordinator should be available to provide assistance to Campus Safety regarding how to respond appropriately to reports of sexual violence. If agreeable to the reporting party, both the Title IX Coordinator and Campus Safety may defer to, or include, the contracted law enforcement agency trained in sexual assault.

The District will respond to all complaints alleging sexual assault under the process described in [Administrative Procedure 3434](#) regardless of whether a complaint is filed with local law enforcement.

All alleged victims of domestic violence, dating violence, sexual assault, or stalking on District property shall be kept informed, through the Title IX Coordinator or contracted law enforcement agency, of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of domestic violence, dating violence, sexual assault, or stalking are required to maintain any such information in confidence, unless the accused individual has waived rights to confidentiality consistent with state and federal law.

A Complainant or witness who participates in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District's student conduct policy at or near the time of the incident, unless the District determines that the violation was egregious, including, but not limited to, an action that places the health or safety of any other individual at risk or involves plagiarism, cheating, or academic honesty.

Affirmative Consent

It is the responsibility of each individual involved in sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout the sexual activity and can be revoked at any time. The existence of a dating relationship between the individuals involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator or consent.

"Affirmative consent" means affirmative, conscious, and voluntary agreement to engage in sexual activity.

In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the Complainant consented to the sexual activity under either of the following circumstances:

The accused's belief in affirmative consent arose from the intoxication or recklessness of the accused; or the accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the Complainant affirmatively consented.

In the evaluation of complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the Complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:

- The Complainant was asleep or unconscious;
- The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant could not understand the fact, nature, or extent of the sexual activity; and
- The Complainant was unable to communicate due to a mental or physical condition.

The District's Title IX Coordinator, or contracted law enforcement agency shall maintain the identity of any alleged victim or witness of domestic violence, dating violence, sexual assault, or stalking on District property, as defined above, in confidence consistent with state and federal law, unless the alleged victim or witness specifically waives that right to confidentiality. All inquiries from reporters or other media representatives about alleged domestic violence, dating violence, sexual assaults, or stalking on District property shall be referred to the District's Director of Public Information and Marketing, who shall work with Campus Safety, the Title IX Coordinator, or contracted law enforcement agency, to assure that all confidentiality rights are maintained consistent with state and federal law.

Primary Prevention and Sexual Assault Awareness Programs

The Title IX Office offers a variety of prevention education, training, and awareness events throughout the academic year. During the 2022-2023 academic year, the Title IX Coordinator presented to various student groups on topics including consent and boundaries, creating a safe and healthy community, and bystander intervention. Events to raise awareness and educate MSJC community members are organized throughout October and April for Domestic Violence Awareness Month and Sexual Assault Awareness Month, respectively.

Information pertaining to Title IX, including prohibited conduct and reporting options, is included in the Online Orientation for first-time students. Beginning in the Fall 2023 semester, Online prevention education on topics including bystander intervention, intimate partner violence, and sexual assault prevention was offered to all students through a partnership with Keenan Safe Colleges for Students. Incentives were offered to students who completed at least one of the prevention education modules.

New employees are required to complete Online sexual harassment training upon being hired and every two years. The Title IX Office participates in the New Hire Orientation that is offered each month throughout the year to educate new employees on prohibited conduct and their reporting responsibilities under federal and state law.

Bystander Intervention

Bystanders play a critical role in the prevention of sexual and relationship violence. They are often the largest group of people involved, outnumbering both the perpetrators and the victims. Bystanders can have a range of involvement in assaults. A person or persons may be aware that a specific assault is happening or will happen, they may see an assault or potential assault in progress, or they may have knowledge that an assault

has already occurred. Regardless of how close to the incident they are, bystanders have the power to stop assaults and to get help for people who have been victimized.

Relationship Abuse and Domestic Violence Resources

There are many resources for victims who are unsure what to do when dealing with domestic violence. One option is the criminal justice system. Do not be afraid to call the police if you have been abused. The goal of the police and legal system is to provide some measure of safety for victims of violence and to provide information about additional resources, such as temporary living accommodations if necessary. One immediate alternative is to obtain a Temporary Restraining Order. If you have been recently threatened, hurt, or abused, or are being stalked by your current or former intimate partner call 9-1-1. Tell the dispatcher that you are in danger and that you need help immediately. The police are required to write an incident report for all domestic calls, even if the batterer has already left the scene. Although it is best to make the report as soon as possible, you may call the police anytime, even days or months after you have been abused.

Definition of Consent:

Consent is defined to mean positive cooperation in act or attitude pursuant to the exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction. involved. California Penal Code 261.6.

Relationship Abuse

Relationship abuse is a pattern of abusive or coercive behaviors used to maintain power and control over a former or current intimate partner. Abuse can be emotional, psychological, financial, sexual, or physical and can include threats, isolation and intimidation.

Could you be in an abusive relationship?

- Are you afraid of your partner?
- Do you avoid certain topics of conversation out of fear it will anger your partner?
- Does your partner humiliate or belittle you?
- Does your partner have a bad or unpredictable manner?
- Does your partner destroy your belongings?
- Does your partner seem unusually possessive or jealous?
- Does your partner force you to have sex?
- Does your partner keep you from seeing friends or family?

If you answered yes to any of these questions – understand that you are not at fault! You deserve to be treated with dignity and respect – especially by your romantic partner. Emotional abuse is often a precursor to physical violence.

5 Steps That Stop Abuse

- 1** ACCEPT THAT YOU CANNOT FORCE YOUR PARTNER TO STOP ABUSING YOU. YOU MUST CHANGE HOW YOU REACT TO ABUSE INSTEAD.
- 2** Reach out to friends, family and community resources.
- 3** Educate yourself about all types of domestic abuse.
- 4** Form boundaries to protect yourself from the abuse.
- 5** DEVELOP A PLAN THAT HELPS YOU STAY SAFER UNTIL YOU'RE READY TO LEAVE YOUR ABUSIVE RELATIONSHIP.

Domestic Violence: Call 911

Call 911 if you have recently been threatened, hurt, abused or are being stalked by your current or former intimate partner.

Domestic violence is broadly defined as physical or sexual assault and/or other threatening and abusive behavior including stalking, harassing, or destroying personal property perpetrated against a former or current intimate partner, relative or person living in the same household.

The term “**dating violence**” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; and the frequency of interaction between the persons involved in the relationship.

Stalking

Stalking as defined below, is a violation of District policy AP/BP 3540 and a reportable offense under the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- fear for their safety or the safety of others; or
- suffer substantial emotional distress.

Stalking behaviors may include:

- Following or “Cyberstalking” using GPS, Keystroke Capture devices, etc.
- Unwanted communication
- Unwanted or threatening gifts
- Obsessive behavior
- Appearing at a place of residence, school, or work
- Inappropriate approaches, confrontations, or threats

If you believe you are being stalked:

- Report to a Campus safety officer or Riverside Sheriff's Department as soon as possible
- Be clear and assertive in demanding to be left alone
- Document each incident. Include dates, times, locations, and a detailed description of what happened. Keep letters, notes and gifts or other objects sent to you. It may be important evidence.

Reporting and Responding to Sexual Assault, Dating Violence, Domestic Violence, and Stalking

Faculty, staff, and students who experience sexual assault, dating violence, domestic violence, and stalking have the option to report to MSJC or local law enforcement.

MSJC Title IX Office

MSJC's Title IX Coordinator is responsible for responding to all reports of sexual harassment and other sex or gender-based misconduct. The Title IX Reporting Form can be accessed on the Title IX Office page of the MSJC website.

When the Title IX Office receives a report of sexual harassment or other sex or gender-based misconduct, the report is reviewed to determine jurisdiction and applicable policies and procedures. This is immediately followed by initial outreach to the individual who is reported to have experienced the conduct to determine if a formal complaint will be filed. Information about supportive measures and on and off-campus resources is also provided.

Upon receipt of a formal complaint, if it is determined that an investigation is warranted, the Title IX Coordinator will notify those identified as having experienced and engaged in the reported conduct of the pending investigation. The involved Parties are provided an opportunity to select an Advisor and to meet individually with the Investigator. The Investigator will also meet with any witnesses, collect evidence, and prepare a report of their findings regarding the complaint.

Following completion of the investigation, a hearing is conducted by a neutral Decision-Maker who will make a final determination regarding the responsibility of the accused individual based on a preponderance of the evidence. Both Parties have the right to appeal the Decision-Maker's decision.

Those who experience conduct that constitutes a crime have the right, but are not obligated, to contact local law enforcement, and the Title IX Coordinator can assist with contacting Riverside County Sheriff's Office Deputies assigned to MSJC. Riverside County Sheriff's Office.

The Riverside County Sheriff's Office receives reports of crimes, including sexual assault, dating violence, domestic violence, and stalking. Riverside Sheriff's Deputies are assigned on each MSJC campus. Riverside Sheriff's offices on campus are inside the campus safety offices. Those who experience a crime can contact a deputy in person or call 9-1-1 or contact a local station:

- Hemet Station (43950 Acacia Ave., Hemet, CA 92544) - 951-791-3400

How To Preserve Evidence

Sexual Assault

If you are interested or undecided about pressing charges, you can consent to the evidence collection process in the emergency room which entails a rape kit. Evidence can be collected up to 96 hours following a sexual assault. The rape kit is an evidence collection tool that documents physical injury and gathers physical evidence (e.g., DNA, fibers, hair) that may have been transferred during the sexual assault. It is your choice to have evidence collected. You have the right to agree to some parts of the exam but not others or refuse all parts of the kit. It is important to know that agreeing to the evidence collection process does not in any way force you to proceed with criminal charges.

Evidence is best preserved by not washing away the evidence and collecting all the items that may have evidence on them such as clothing. In order for the kit to be most effective, follow these guidelines:

- Avoid cleaning up in any way such as taking a shower, bathing, washing your hands, combing your hair, or brushing your teeth.
- Avoid using the toilet especially if you suspect you were given a drug to incapacitate you.
- Choose either to not change your clothes or if you do change your clothes, put all the clothing you were wearing at the time of the assault in a paper (not plastic) bag and bring the bag with you to the hospital. The hospital will provide you with scrubs or sweats or you can have someone bring clothing.

Dating/Domestic Violence/Stalking

It is important to preserve evidence if you experience dating/domestic violence or stalking. Seeking medical attention for physical assaults that occur as part of dating/domestic violence or stalking can provide documentation of the physical injuries that were sustained. You can keep a record of witnesses or people to whom you disclosed that you were experiencing these forms of interpersonal violence. You can have a friend take pictures of bruising. If you choose to make a police report, physical injuries and property damage can be documented as part of the report process.

- In addition, it is useful to preserve any e-mails, texts, voice mails, written notes, and pictures of property damage which are useful in documenting dating/domestic violence or stalking.
- Additionally, you can keep a record of all the incidents in a spiral notebook with a date and time and description of the abusive or harassing behavior.

Sex Offender Registration Policy [AP 3516](#)

Sex offenders are required to register with the police in the jurisdiction in which they reside and at institutions of higher learning if they are students there or if they work there as employees, contractors, or volunteers. A sex offender who is an employee or volunteer in the District must disclose his or her status as a registrant upon their application or acceptance of the position if they 1) would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or have supervision or disciplinary power over minor children; or 2) would be working directly and in an accompanied setting with minor children and his or her work would require touching minor children on more than an incidental basis.

A sex offender who must register for committing a crime against a minor victim under the age of 16 is prohibited from serving as an employer, employee, contractor, or volunteer in any capacity in which the sex offender would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or involving having supervision or disciplinary power over minor children.

The department will maintain the signed statement in its records for a period of five years.

The Mt. San Jacinto Community College District contracted police services agency will release the following information regarding a registered sex offender: (1) full name; (2) known aliases; (3) gender; (4) race; (5) physical description; (6) photograph; (7) date of birth; (8) crimes resulting in registration; and (9) the date of last registration or re-registration.

Statement Addressing Sex Offender Registration

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Family Education Rights and Privacy Act of 1974, the COD Public Safety Department has provided a link to [Megan's Law](https://www.meganslaw.ca.gov/) (https://www.meganslaw.ca.gov/), the national registered sex offenders data base.

Effective September 24, 2004, Penal Code section 290.46 required the Department of Justice to create a website on or before July 1, 2005. There are four categories of registered sex offenders for purposes of disclosure on the Megan's Law internet website.

Home Address Category

The conviction of certain sex offenses requires that the home address of the offender be posted along with other information about the registrant. 290.46, subd. (b).

Conditional Home Address Category

The conviction of other designated sex offenses, along with the conviction of any other registrable sex offense, requires that the homes address be posted, along with other information about the registrant. 290.46, subd. (c).

Zip Code Category

Commission of certain other sex offenses requires that information about the offender, including their zip code and other information, but not including the home address, be posted on the web site. 290.46, subd. (d).

Undisclosed Category

Finally, there is a category of registered sex offenders that may not be displayed on the internet website. These are registrants who have been convicted of sex offenses not listed in the above three categories. Offenders in the undisclosed category must still register as sex offenders with local law enforcement agencies and are known to law enforcement.

Crime Prevention Programs

While Mt. San Jacinto College has no specific crime prevention programs, there is a video series available for viewing on crime prevention/situational awareness on the Mt. San Jacinto College Campus Safety Web site. [Click this link to view.](#)

Additionally, Mt. San Jacinto College Student Judicial Affairs Officer and Title IX Officer provide in person presentations to students regarding crime prevention and sexual harassment/prevention information.

Crime Prevention is student and employee awareness of their environment. It is the willingness to look out for one another and to report suspicious activities immediately to Campus Safety. Students and employees must be aware of their surroundings and develop a perception of what seems out of place, or out of the ordinary. Do not take chances, what may appear harmless could be serious. Fortunately, the right attitude, actions and awareness can help protect you and your belongings.

Preventing Crimes Against Persons:

- Use the "Buddy System"
- Do not wear flashy jewelry.
- Never be afraid to scream.
- Be aware of your surroundings.
- Walk with your keys in hand.

Preventing Crimes Against Property:

- Lock all your doors.
- Never leave property unattended.
- Do not leave valuables in sight.

It is the intent of Mt. San Jacinto College to inform students and staff, in a timely manner, of any criminal activity or security problems which may pose a reasonable threat to their physical safety. Such information will be published and distributed to students, faculty, and staff through campus publications, such as in house memos, events, bulletins, and electronic mail.

Regular Patrol:

Deputies from the Riverside County Sheriff's Department, as well as Campus Safety Officers, patrol the campus by foot, bicycle, and vehicle. Uniformed patrol provides a visual deterrent to potential thieves and provides high visibility to the public in general, should contact be desired.

CCTV

The Campus Safety Office uses hundreds of cameras located throughout each campus to monitor activity, suspicious circumstances, and ongoing operations of Mt. San Jacinto College. These cameras are monitored 24 hours a day, seven days a week by campus safety officers for the purpose of preventing criminal activity throughout the District.

Timely Warnings

In the event of an emergency, the Director of Campus Safety and Director of Public Information, Marketing and Strategic Communications, are to be notified and will determine if an emergency notification is to be sent out and to determine which segment will receive notifications. In the event of the absence of the Campus Safety Director, the MSJC President, or Vice President of Human Resources, or designee will determine if a warning will be issued. the Director of Campus Safety and Director of Public Information, Marketing and Strategic Communications will consider the safety of the community, the content of the notification, and determine how the notification will be issued; unless notification in their professional judgment will compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The Director of Campus Safety liaisons with law enforcement agencies for information any criminal related matters to ensure timely warnings are accurate and necessary to inform students, staff, faculty, and members of the community.

In the event an emergency, and notification is necessary, MSJC can post information on its website, social media accounts, email and text students, staff, and faculty, transmit information on public address system loudspeakers or via "Alertus" (upcoming)-District desktop computer systems, as well as post updated information on the college web site. After it is determined the threat is over, MSJC will provide follow up information in the same manner it was issued.

The notification will be sent to all students, faculty, and staff in the MSJC community (or an appropriate segment of the community if the event is limited to a defined area of the campus) using Emergency Notification System unless issuance of the notification will, in the professional opinion of responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency. The content of the message will vary dependent on the situation, but will typically include the incident time, location, type, and recommended actions for safety.

Director of Campus Safety 951-639-5185

Director of Public Information, Marketing and Strategic Communications 951-487-3060

Individuals Authorized to Initiate an Emergency Notification

These include the Director of the Campus Safety Department (on-scene Incident Commander or designee), The Director of Public Information, Marketing & Strategic Communication, The Vice President of Human Resources, the President of the college or assigned designee.

Student Emergency Notifications

In the event of an actual emergency the campus community will be notified via notification on the MSJC web page, Campus public address speakers, District Computer systems, broadcast exterior/outdoor speakers to outside open areas, campus email, and or student email, phone calls, and text messages as well as the MSJC social media accounts.

To receive campus-wide emergency text announcements, students and staff must have a registered phone number. Staff and students can sign up for notification on the college website. This system sends alerts via text. All student phone numbers that are used during registration are uploaded into the system for a mass notification text messaging. Should a student no longer want to receive a text, a student must "opt out".

Community Emergency Notifications

When the larger community needs to be notified, The Director of Public Information, Marketing and Strategic Communications liaisons with public media including television stations, radio stations, and area newspapers to disseminate the emergency information.

Emergency Notification Systems

Depending on the type of emergency, you will be notified in one of the following ways:

E-mails will be sent to your registered email on file with the college.

The website (msjc.edu) is routinely updated with important information and should also be checked on a regular basis. As a full-time or part-time student perhaps consider making it your homepage on your laptop, tablet, home computer or smart phone browser. The college has speakers that will broadcast information of a critical nature both in the interior and exterior of the campuses. Additionally, most buildings have wall or roof mounted speakers in common areas and in classrooms.

Mt. San Jacinto College uses a variety of emergency notification systems to communicate official information during an emergency or crisis situation that disrupts normal campus operations or threatens the health or safety of members of the campus community. Our mass notification system sends alerts in all communication modes through alerts via text, email, and voice and in the near future, via desktop emergency banner.

Any questions you may have regarding emergency notifications can be directed to Campus Safety Department:

951.639.5188 (24 hours /365 days)

Emergency Communications

The community is encouraged to report crimes, fires, suspicious activity, requests for medical assistance, and other public safety related incidents immediately.

Call 9-1-1 when you experience or observe:

- A whistle, scream or call for Help.
- Any crime in progress or that has occurred.
- Suspicious behavior or activity including:
 - A car suspiciously driving up and down the street repeatedly.
 - Someone enters a room, office, or lab without permission.
 - Someone lurking around a parking lot, bike racks or a building.

For immediate police, fire, or medical response:

- **Dial 9-1-1** from any phone or cell phone.
 - Calling 9-1-1 from a pay phone is free.
- Provide the dispatcher with a description of the incident type, location, time of occurrence, any injuries, weapons involved, the suspect (e.g., gender, height, complexion, attire) and associated vehicles (e.g., license plate, make, model color and direction of travel).

It is recommended that you place MSJC Campus Safety Department's phone number into your cell phone as a speed dial number- then all you have to do is push one button in case of an emergency. *Remember 951-639-5188 is monitored 24/7, 365 days a year. Note: You may dial 9-1-1 from any campus phone and it will alert Riverside Sheriff's automatically. If you dial from a cellular telephone, it will not automatically alert Campus Safety but will go directly to a 911 dispatch center and be routed to Riverside Sheriff's Department.

Emergency Response and Evacuation Procedures Statement

MSJC conducts emergency response trainings every year at each campus which can include tabletop exercises, tests of the emergency notification system, field exercises involving the Riverside Sheriff's Office, lockdowns, and evacuations. These tests are done to assess and evaluate the emergency plans and capabilities of the college. Each Campus has assigned Building Captains trained to assist personnel with emergency evacuations.

Evacuation Procedures

Remain calm and determine the nature and location of the disaster.

Emergency Assembly Areas at each District Campus

San Jacinto

Menifee Valley

Temecula Valley

There are five areas to assemble to in the event it is safe to do so:

- On each MSJC Campus, Emergency Assembly Areas (EAP) are color coded and located in each parking lot. EAP are coordinated with the appropriate Parking Lot names (A, B, C, D, & E.)

MSJC Procedures for Instructional/Office Staff on Attendance Tracking

The primary causes for evacuation will most likely be fire or earthquake. MSJC faculty/staff be prepared to react quickly and properly. Faculty should use their class roster to ensure accurate accounting of attendance.

Faculty

Depending on the event that caused the emergency, stay in the assembly area, again if safe to do so. Directions will be given out via the area captains assigned when available, or as needed through mass communication methods. Campus Safety and/or Riverside Sheriff's Department will notify Building Commanders of the all-clear to return to offices/classrooms.

Office Areas

Depending on the event that caused the emergency, stay in the assembly area, again if safe to do so. Try to take attendance and await further direction. In all cases, be certain that injured or disabled are evacuated and cared for; all students and staff are accounted for if possible; and the alarm has been sounded (or reported to Campus Safety or 9-1-1 if applicable) if you or someone in your class was the first to discover the potential disaster. Campus Safety and/or Riverside Sheriff's Department will notify Building Commanders of the all-clear to return to offices/classrooms.

Drills

Mt. San Jacinto College has Evacuation drills and lock down drills planned three times per year. These drills are publicized for notification. The college uses staff who volunteer as area captains and building commanders to assist with drills and to report to the incident commander. Documentation; including building commander feedback, is kept within a emergency preparedness folder within a college share point system.

During the Covid shutdown, no drills were conducted as no students and only minimal essential staff were on campuses.

Reporting an Emergency

In an emergency call 911 for non-emergencies, call the Campus Public Safety Department at (951)639-5188. This number is monitored 24/7, 365 days a year. An emergency is any situation that requires immediate police, fire or medical response to preserve life or property. just dial 9-1-1.

If you are calling on a campus phone, Campus Safety officers and/or Riverside Sheriff Deputies will respond directly to your call and route it to the appropriate emergency responders. Campus Safety Officers and/or Riverside Sheriff Deputies will meet the first responders and direct them to the proper location. You can also use any phone to report a campus emergency. For Emergencies, dial 9-1-1. For non-emergency, dial 951-639-5188

The single most important component of violence prevention is the timely communication of concerning behavior to the appropriate resources.

Mt. San Jacinto's SAFE Team is available to report incidents of concern. These reports are made online using the [SAFE TEAM REPORT link](#). This team meets to address issues and incidents of concern.

Drug Free Workplace and Campus

The district intends to maintain a safe, healthy and productive work and learning environment for all employees and students. To accomplish this, the district will act to eliminate any drug abuse, which increases the potential for accidents, absenteeism, low academic and work performance, poor employee and student morale and damage to the district's reputation. The unlawful manufacture, distribution, dispensation, possession of alcohol is prohibited in all buildings, property, facilities, and service areas, off campus sites of the district or in any location where any District activity is occurring.

Mt. San Jacinto College [Administrative policy 5500](#) addresses student conduct discipline for: Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in California Health and Safety Code Section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5 (See AP 3550).

Centers on each campus, Title IX coordinator's office, and via the Riverside Sheriff's Office located in the campus safety office on each campus.

MSJC has counseling available at each campus location that can provide assistance and recommendations for treatment of alcohol and drug abuse. MSJC also has a SAFE team which works in conjunction with several treatment and recovery services.

MSJC Also partners with Intervention America and MFI Recovery Locations both of which have services for Substance Abuse and Recovery Related Services. The district provides confidential referrals through an Employee Assistance Program (EAP) for employees and their families needing assistance with drug or alcohol abuse. Please contact Human Resources at (951) 487-3155 for more information or visit the Human Resources website for information on contacting the EAP.

The district shall discipline a student, up to and including expulsion, for the unlawful manufacture, distribution, dispensation, and possession of a controlled substances (as defined by Federal and State laws) on the district's property or as a part of any of its activities. Though marijuana has been legalized in the state of California, it is prohibited on all District property.

Assistance, Resources and Referrals for Students

Students who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Student Health Center. While the District will be supportive of those who seek help voluntarily, the district will be equally firm in identifying and disciplining those students who continue to abuse drugs or alcohol after treatment or counseling.

Materials and information on counseling, treatment and rehabilitation resources, health risks and uses and effects of controlled substances are available at the Student Health Centers on each campus.

Drug and Alcohol Effects on Behavior

Substance use disorders can lead to multiple behavioral problems, both in the short- and long-term, which can include:

- Paranoia
- Aggressiveness
- Hallucinations
- Addiction
- Impaired Judgment
- Impulsiveness
- Loss of Self-Control

These short and long-term health effects of drug misuse have serious consequences, like missed work, punishable offenses, accidents and injuries. In fact, alcohol and drugs are partly to blame in an estimated 80 percent of offenses leading to jail time in the U.S. These incidents include domestic violence, driving while intoxicated and offenses related to damaged property. Legal and illegal drugs excluding alcohol are involved in about 16 percent of motor vehicle crashes. In the past year, almost 12 million people drove under the influence of illicit drugs, and almost 4,000 fatally injured drivers tested positive for drug involvement.

The Effects of Drug Misuse on Health

Substance use disorders are associated with a wide range of short- and long-term health effects. They can vary depending on the type of drug, how much and how often it's taken and the person's general health. Overall, the effects of drug misuse and dependence can be far-reaching. They can impact almost every organ in the human body.

Side effects of drug addiction may include:

- A weakened immune system, increasing the risk of illness and infection
- Heart conditions ranging from abnormal heart rates to heart attacks and collapsed veins and blood vessel infections from injected drugs
- Nausea and abdominal pain, which can also lead to changes in appetite and weight loss
- Increased strain on the liver, which puts the person at risk of significant liver damage or liver failure
- Seizures, stroke, mental confusion and brain damage
- Lung disease
- Problems with memory, attention and decision-making, which make daily living more difficult
- Global effects of drugs on the body, such as breast development in men and increases in body temperature, which can lead to other health problems

The most severe health consequences of substance use disorder is death. Deaths related to synthetic opioids and heroin have seen the sharpest rise. In the past 12 months, 212,000 people aged 12 or older have used heroin for the first time. Every day, more than 90 Americans die after overdosing on opioids.

Physical Effects

Substance use disorder has many physical health effects that range from short-term issues to long-term health problems. Some physical effects of using drugs or alcohol are instantaneous, while others can emerge slowly from regular use.

Physical health effects of substance use include:

- Various heart conditions, including increased heart rate, high blood pressure, heart attack, collapsed veins and irregular heartbeat.
- Loss or change of appetite.
- Insomnia or restlessness.
- Stroke, seizures and other types of brain damage.
- Inflammation of the liver and other conditions like alcoholic hepatitis, cirrhosis and fibrosis.
- A weakened immune system.
- Inflammation of the pancreas.
- Kidney failure or kidney disease.
- Increase in body temperature.
- Nausea and stomach pain.
- Respiratory problems like lung disease, bronchitis, slow breathing and emphysema.
- Musculoskeletal problems like muscle cramping, muscle weakness and stunted growth.

Crime Statistics Definitions

Geographical Locations

- **Campus:** Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, and any building or property that is within or reasonably contiguous to the area identified above, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).
- **Non-Campus:** Non-campus Building or Property—Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution. Crime statistics from Clery geographic locations defined as "non-campus buildings and property" (known as "non-campus" locations) encompass two distinct types of geography associated with MSJC: (1) buildings and property owned or controlled by officially recognized student organizations; and (2) buildings and property located off campus but owned or controlled by MSJC. Non-campus buildings and property are located at numerous locations throughout Riverside County, and other various geographic locations away from MSJC. Non-campus locations are neither contiguous to nor located within a reasonable geographic area surrounding MSJC property and these locations fall within the jurisdiction, protection, and reporting responsibility of different law enforcement agencies depending upon where the buildings and property may be located. The MSJC Campus Safety Department requests Clery crime statistics from all local law enforcement agencies that have jurisdiction where MSJC owns or controls buildings or property within their jurisdiction. Additionally, non-campus buildings and property may also include locations such as hotels, resorts/conference centers, temporary classrooms, etc. where officials on behalf of MSJC may own or control such space by virtue of an agreement and where the location is used for educational purposes, students go to the location, and it is not contiguous to the COD campus. Any type of agreement (e.g., a contract, reservation, invoice, receipt, etc.) may be used to establish an "agreement" for purposes of classifying a location as a non-campus building, or property location for purposes of COD Clery Act Geography.
- **Public Property:** All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

 - **Rape:** Penetration, no matter how slight of the vagina or anus with any body part or object. Or oral penetration by a sex organ of another person, without the consent of the victim, including when the victim is incapable of giving consent because of temporary or permanent mental/physical incapacity. This type of assault usually is accompanied using a weapon or by means likely to produce death or great bodily harm. (It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could and probably would result in serious personal injury if the crime were successfully completed).
- **Burglary:** The unlawful entry of a structure to commit a felony or a theft (excludes burglary from vehicles). An incident must meet three conditions to be classified as a burglary: (1) there must be evidence of unlawful entry – no force is counted; (2) the unlawful entry must occur within a structure (four walls, a roof, and a door); and (3) the unlawful entry into a structure must show evident that

the entry was made to commit a felony or theft. If the intent was not to commit a felony or theft or if the intent cannot be determined the proper classification is "Larceny" (which is not a CLERY reportable crime).

- **Motor Vehicle Theft:** The theft or attempted theft of a motor vehicle. This applies to automobiles, trucks/buses, motorcycles, motorized carts and other vehicles (includes all joy-riding incidents and attempts).
- **Arson:** Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft or personal property of another.
- **Domestic Violence:** The term "domestic violence" includes felony or misdemeanor crimes of violence committed by (1) a current or former spouse or intimate partner of the victim (2) by a person with whom the victim shares a child in common, (3) by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, (4) by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred (5) or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
- **Dating Violence:** The term "dating violence" means violence committed by a person (acts that are considered "Domestic Violence" are excluded under this definition): A. who is or has been in a social relationship of a romantic or intimate nature with the victim; and B. where the existence of such a relationship shall be determined based on a consideration of the following factors and on the reporting party's statement:
 - The length of the relationship
 - The type of relationship
 - The frequency of the interaction between the persons involved in the relationship.
- **Stalking:** The term "stalking" means engaging in a course of conduct (two or more acts) directed at a specific person that would cause a reasonable person to: (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.
 - Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person's property.
 - Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. *Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

- **Hate Crimes:** Any of the previously listed crimes and any other crime involving bodily injury, theft, intimidation, assault, or destruction/damage/vandalism reported to the police or to a campus security authority in which the victim is intentionally selected because of the actual or perceived race, gender, religion, sexual orientation, ethnicity, or disability of the victim.
- **Drug/Narcotic Law Violations:** The unlawful possession, sale, use, transportation, growing, cultivation, manufacturing, making, distribution, purchase, importation of any controlled drug or narcotic substance. Also, violations of laws prohibiting the use of the equipment or devices utilized in their preparation and/or use. The relevant substances include opium or cocaine and their derivatives (Morphine, Heroin, Codeine); marijuana; synthetic narcotics (Demerol, Methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).
- **Alcohol Law Violations:** The unlawful possession, sale, transportation, manufacturing, purchase, use of alcoholic beverages as well as furnishing alcohol to a minor (under 21 years), maintaining unlawful drinking places, bootlegging, and operating a still, using a vehicle for illegal transportation of liquor, and attempts to commit any of the above. Driving under the influence and drunkenness violations are excluded.
- **Weapon Law Violations:** The unlawful possession or control of any firearm, deadly weapon (including nunchakus or Billy club), illegal knife or explosive device while on District property except as required in the lawful course of business or as authorized by the Director of Public Safety and Emergency Preparedness. Additionally, the unlawful manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons.
