- Eight Week Session: June 3 - July 25
- Six Week Session: June 17 - July 25
- Juneteenth Holiday: College Closed June 19
- Independence Day Holiday: College Closed July 4

Civic and Voter Empowerment Dates:

- National Voter Registration Day: September 26
- Last day to register to vote: October 24
- Voting Day: College Open and Classes in Session November 7

PURPOSE

This Handbook is meant to provide students at Mt. San Jacinto College (MSJC) with quick and easy access to information about the college.

While it may touch on topics that are also covered in the MSJC College Catalog, it is not meant to be a substitute. Students need to familiarize themselves with the MSJC Catalog as well as other college resources.

It is hoped that this resource guide will be useful as an interactive success guide for all MSJC students as they pursue their educational goals here at MSJC.

Visit the most current, and past College catalogs at msjc.edu/catalog.

A BRIEF HISTORY

The Mt. San Jacinto Community College District was formed in 1960 by a vote of the citizens in Banning, Beaumont, Hemet and San Jacinto.

The college enrolled its first students in the fall of 1963, holding classes in rented facilities. The San Jacinto Campus was opened in 1965 with two buildings and has grown into a comprehensive college campus serving the needs of students and the community.

In 1975, the residents of Temecula, Lake Elsinore, Perris and adjacent areas voted to join, increasing the college's service area to the present 1,700 square miles. Although the boundaries have remained stable since 1975, the District has changed dramatically, especially since the 1980s.

In response to intense population growth, MSJC opened its Menifee Valley Campus in October 1990. By the end of its first year, there were 2,100 students attending classes at the Menifee Valley Campus.

In 2018, MSJC purchased the Temecula Valley Campus and began offering classes in 2021. This campus is the first permanent campus of higher education for Temecula, Murrieta and the surrounding communities.

Today, MSJC serves nearly 25,000 students annually and awarded 2,881 degrees and certificates to more than 2,000 graduates in May 2023.

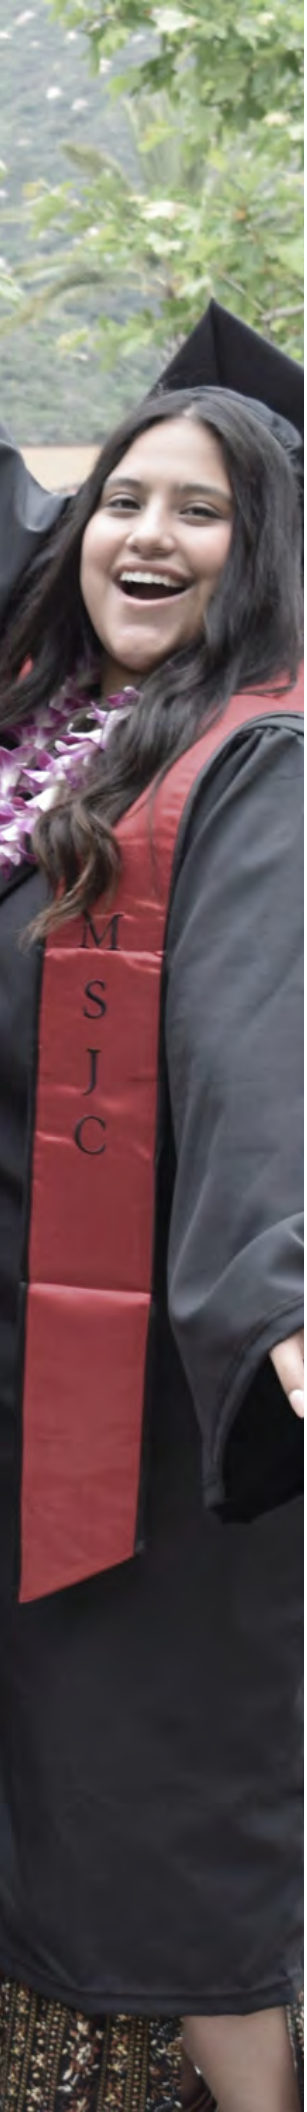

OUR MISSION

Mt. San Jacinto College offers quality, accessible, equitable and innovative educational programs and services to students aspiring to achieve their academic, career and personal development goals.

We provide students a safe environment in which to pursue basic skills, career and general education pathways. Our programs lead to transfer, associate degrees and certificates, which meet workforce development needs in our diverse communities.

Our commitment to learning and achievement empowers students to enrich our communities and participate meaningfully in today's complex world.

Approved by the Board of Trustees on January 19, 2017

WELCOME!

Roger Schultz, Ph.D.
Superintendent/President

Welcome to Mt. San Jacinto College. It is my privilege to welcome you to our incredible college. You'll learn more about MSJC through information provided in this Student Resource Guide. Thank you for choosing MSJC, I hope your experiences here last a lifetime.

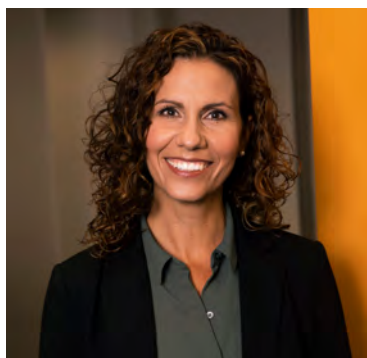

In keeping with our mission, MSJC provides an ever-growing number of educational opportunities for the diverse population within our district. MSJC provides in-person classes at various locations throughout the district and a robust offering of online classes to give students more access and greater flexibility.

MSJC courses and programs are designed to meet the needs of the students and are continuously reviewed to meet the criteria set forth by the Education Code, the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges and the California Community Colleges System.

The student is the heart and focus of this institution. To ensure students can take advantage of quality educational experiences, MSJC has created an environment that promotes student success, diversity, equity and inclusion, and access. That environment is evidenced by our [Equity Pledge](#) and [Call-to-Action](#) and anchored by the excellent faculty, classified professionals, and MSJC support services. It is our commitment to help each student achieve their goals.

I am excited that you have taken this time to consider MSJC. On behalf of the Board of Trustees, the faculty and staff, I encourage you to visit us, talk with us and choose MSJC as your educational partner working with you, for you.

www.msjc.edu

WELCOME!

Rebecca Teague
Vice President, Student Services

On behalf of the Student Services team, welcome to Mt. San Jacinto College.

Student Services is here for you and because of you. Our purpose is to ensure that your academic and extra-curricular experience is fulfilling and rewarding in every way. In achieving this purpose, we provide a broad range of services all designed with you and your success in mind.

Student Services is comprised of various programs and services across the District: Accommodation Services (ASC), Athletics, CalWORKs, Cooperative Agencies Resources for Education (CARE), Career Education, Career/Transfer Center, Child Development & Education Center (CDEC), Counseling, Enrollment Services, Eagles Landing, Extended Opportunity Programs & Services (EOPS), Financial Aid, First-Year Experience (FYE), Guiding Light, Honors Enrichment Program (HEP), International Students Program (ISP), Learning Resource Center (LRC), Library, Personalized Academic Learning Services (PALS), Puente, Student Conduct, Student Life, Student Health Services, TRIO Talent Search, TRIO Upward Bound, Umoja, UndocuDREAMers, Veterans Services, and Welcome Centers.

Regardless of your academic and career goals we have resources available to assist you. I encourage you to take advantage of our services and ask any one of our professional staff to assist you with either helping to identify your goal, and/or support services and interventions designed to help you better define and achieve your goal.

Thank you for choosing MSJC- We are so glad you are here. I look forward to seeing you around campus and encourage you to get involved and stay involved.

EDUCATIONAL DEGREE PYRAMID

Doctorate Degree- Advanced training beyond a Bachelor's or a Master's degree. Units vary, depending on field of study. Usually referred to as Ph.D. (Doctor of Philosophy) or Ed.D. (Doctor of Education). It usually takes 4-5 years of full-time study beyond a Bachelor's Degree.

Master's Degree- Bachelor's Degree plus graduate courses in specialized area. Bachelor's Degree units (120-132) plus 36-56 units, depending upon your major. Usually referred to as MS (Master of Science) or MA (Master of Arts) Degrees. Normally, requires two additional years of full-time study after completion of your Bachelor's Degree.

Bachelor's Degree- Major courses plus general education and electives, approximately 120-132 total units required. Usually referred to as BS (Bachelor of Science) or BA (Bachelor of Arts) Degrees. Normally requires 4-5 years of full-time study. Students may complete the Freshmen and Sophomore years (lower-division courses) at a community college, then transfer to a four-year university for Junior and Senior years (upper-division courses).

Associate Degree- Major courses plus general education and electives, 60 units required. Usually referred to as an AA or AS (Associate in Arts or Science) Degrees. Normally, requires two years of full-time study but may take longer. Associate degrees are offered by community colleges, including MSJC.

Vocational Certificate- Major courses only — number of units required varies. A series of special major courses, all related to a particular occupational skill. Sometimes called career certificates or employment concentrations, these can be helpful in obtaining or upgrading employment. Offered by university extension programs, private educational organizations, and community colleges, including MSJC.

PATHWAYS AT MSJC

At MSJC, our programs are arranged into Pathways. Each pathway is designed to create a path to a career and academic degree, certificate, concentration or skill set. Identify a pathway based on your interests and career focus to explore all the degrees and certificates we offer.

PROGRAMS & SERVICES

Accommodation **SERVICES**

The [Accommodation Services Center \(ASC\)](#) provides support services, academic advisement, and educational accommodations to students with disabilities to ensure equal access to education pursuant to Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. The student's specific disability must be verified, and their approved academic accommodations are in direct relation to an educational limitation that impedes the student from fully participating in general education.

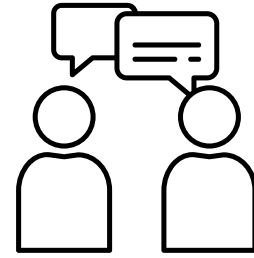

For more information visit a campus site below or the [ASC website](#).

Services

- Test-taking facilitation
- Assessment for learning disabilities
- Specialized counseling
- Interpreter services for hearing-impaired or deaf students
- Mobility assistance
- Note taker services
- Reader services
- Alternate media services
- Access to adaptive equipment
- Registration assistance

Adult EDUCATION

MSJC's [Adult Education](#) program offers free courses to help students access higher education, better job opportunities, and improved language, literacy, and numeracy skills for successful civic and social engagement with one's community.

Our adult education program helps students do the following:

- Earn a high school equivalency certificate (GED)
- Learn to speak English
- Learn how to become a U.S. citizen
- Explore careers
- Learn new job skills
- Earn job certifications
-

We offer English as a Second Language (ESL), high school equivalency (GED), citizenship, and career technical education classes at the San Jacinto, Menifee Valley, and Temecula Valley Campuses as well as online.

Our program also includes embedded counseling support to help students reach their personal, educational, and professional goals.

Athletics

MSJC Eagles field intercollegiate teams in men's football, basketball, baseball, golf and tennis; and women's indoor volleyball, beach volleyball, soccer, basketball, tennis, golf and softball. The college is a member of the Inland Empire Athletic Conference, which is governed by the California Community College Athletic Association (CCCAA).

To participate in [athletics](#), a student must maintain enrollment in a minimum of twelve (12) units. To be eligible for a second season of participation, a student must complete twenty-four (24) units with a 2.0 (C) grade-point average between seasons of participation. Eligibility must be carefully verified based upon high school graduation date, residence and academic success. Additionally, to remain eligible to represent an institution in intercollegiate athletics competition a student athlete has to successfully complete at least six (6) units (semester or quarter) during the preceding academic term in which the student is enrolled as a full-time student at the certifying institution with a cumulative 2.0 GPA beginning with and including the units taken during the first semester/quarter of competition. Additional information concerning athletic eligibility regulations is available from the Dean of Kinesiology, Health, Nutrition and Athletics. Students must enroll in the appropriate section of physical education to receive 1 to 3 units of credit for the sport.

Testing materials such as blue books, scantrons, #2 pencils, and black & blue pens, and ceramics clay can be purchased through the MSJC Café.

www.msjc.edu

The MSJC [CalWORKs](#) program serves students and their families by providing educational and career opportunities combined with an array of high quality support services that enable students to complete their educational goals, find meaningful employment, and successfully transition into the workforce.

MSJC CalWORKs program works in collaboration with the Department of Public Social Services to assist students with their education, training and job skills. If you are a CalWORKs cash aid recipient with minor children and attending or planning to attend MSJC, you may be eligible to receive special support services.

Services:

- Academic, career and personal counseling
- Priority registration – for SAP eligible CalWORKs students only
- Case management and tracking of student progress
- Work study program – on campus employment
- Computer Lab & Printing
- Childcare referral to the MSJC Child Development Center
- Limited school supplies
- Laptop Loan Program
- Welfare-to-work information
- Work/Life Skills Workshops

Career Education

Your Career is Here!

[Career Education](#) can help get you Career Ready for high-wage, high-skill jobs that are in demand. Our courses are taught by top professors in real-world environments equipped with current, industry-specific technology, tools, equipment and curriculum.

MSJC is ready to prepare you to start, advance, or build your skills.

Career Education also offers [Apprenticeship and Work Based Learning](#) (AWBL)- a unique pathway towards gaining hands on experience and work opportunities while pursuing your education.

AWBL offers various services including:

- Apprenticeships
- Work Experience Education (WEE)/Internships
- Job Development and Placement Services
- Learning Aligned Employment Program (LAEP)
- Pre-apprenticeships
- Youth Apprenticeships
- Practicum & Service Based Learning
- Job Shadowing
- Career Mentorship

Career & Transfer CENTER

Career Services

The career planning process typically begins with scheduling an appointment with a counselor to discuss future goals and options. The Career/Transfer Centers offer interest inventories, values and skills tests as well as assessment of personality preferences. The results of these assessments are used as the basis for career exploration and counseling. College Success and Career Readiness courses are also offered to prepare for College Success, Career Life Planning, Creative Job Search and other related topics. Refer to the College Success and Career Readiness Section of the catalog for course descriptions.

Transfer Services

The Career/Transfer Centers provide support services for students interested in transferring to Baccalaureate Awarding colleges and universities. These services include counseling, appointments with university representatives, workshops on admissions requirements, how to apply to universities, in-state, and private, public and out-of-state options. In addition, the Centers sponsor an annual college fair on each campus with forty (40) plus university recruiters participating. The Centers also have computers dedicated for the use of students interested in transferring.

Connect with Career/Transfer Center
(951) 487-3408

Child Development & EDUCATION CENTER

The [Child Development and Education Center](#) serves as the model lab/demonstration program for the Child Development and Education Department and related disciplines. College students perform observations and participate in on-the-job training as well as conduct student teaching in the center.

At the Child Development and Education Center, child care and education services are provided for young children from diverse backgrounds with differing abilities in a safe and welcoming setting. Responsive and professional teachers and caregivers build trusting relationships with the children and families. Children learn by doing in an environment that offers challenge and support.

Contract & Community **EDUCATION**

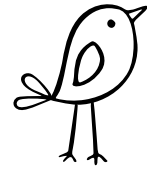

[Contract education](#) is a powerful opportunity for employers to partner with MSJC to upskill their workers to increase productivity and position their business for future growth. Contract Ed offers affordable customized training to develop technical, soft, and leadership skills for businesses, non-profits, government agencies and other organizations. Virtual and in-person programs are delivered by subject matter experts, including contract trainers and college instructors, with extensive industry experience. MSJC works with businesses of all sizes across industries like advanced manufacturing, healthcare, government, information technology, agricultural, water & environmental, logistics warehousing, transportation, and other in-demand sectors.

[Community education](#) offers not-for-credit, fee-based, programs catering to personal and professional development. Our online and in-person programs support an individual's curiosity and career success as a lifelong learner. Some programs prepare for industry certification exams while others provide an engaging learning experience addressing a special interest.

Cooperative Agencies Resources for Education

[The CARE program](#) is a state funded program designed to provide assistance and support for single parent, head of household CalWorks/TANF, EOPS programs.

CARE is a supplemental support program of the EOPS (Extended Opportunity Program and Services) at MSJC.

SERVICES

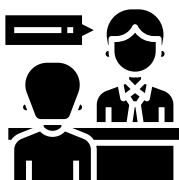

- Counseling
- Child care grant
- Meal cards
- Assistance with books/some supplies
- And more!

*All services are based on available funding and the student's financial unmet need.

EQUITY GOALS

The CARE Program goal is to help CARE students obtain a degree, certification, transfer, and/or gain marketable employment skills to break the cycle of poverty and reduce County assistance and lead to self sufficiency.

COUNSELING SERVICES

29

Counseling assist students with a broad range of academic matters. Academic counselors can help students select courses and ensure chosen classes conform with the recommended education plan for the student's chosen pathway so the student meets their intended goal (graduation, transfer, and/or career).help students select courses and ensure chosen classes conform with the recommended education plan for the student's chosen pathway so the student meets their intended goal (graduation, transfer, and/or career).

Educational and Academic Planning

Educational planning is an important part of student success. Students are encouraged to meet with a counselor to development a Student Educational Plan (Ed Plan) within 90 days of selecting an educational goal.

An Ed Plan outlines the courses needed to complete an educational goal within an attainable timeframe personalized for each student. It will include prerequisite courses, and major required courses. An Ed Plan will help determine which courses a student should take each semester.

Dual ENROLLMENT

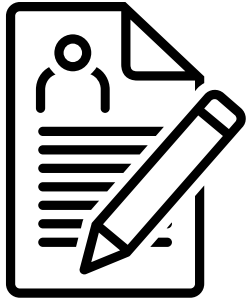

Dual enrollment allows qualified high school students to earn college and high school credit while meeting graduation requirements.

To participate, students must be in high school and have the support of their parent/guardian, principal, and a high school counselor who can verify placement into college-level courses as appropriate.

To join Dual Enrollment, talk with your High School Counselor to get started.

Enrollment SERVICES

Welcome to MSJC!

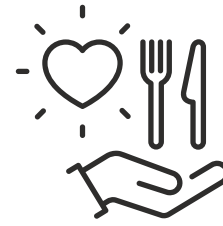

The [Enrollment Services](#) Department provides a number of services to students, faculty, staff and members of the community.

General information about the college as well as detailed information about policy and procedures are provided. The office processes a variety of forms (petitions, school parent agreements, residency questionnaires, registration changes, transcript requests and enrollment verifications, etc.) and performs a variety of functions (admissions, registration, incoming and outgoing transcripts, evaluation of transcripts and applications for graduation). Student academic records are electronically imaged and maintained by this office. Quality customer service and student success are placed as our highest priorities while supporting the mission of the College and serving a diverse population.

First Year EXPERIENCE PROGRAM

The [First Year Experience \(FYE\) Program](#) is designed to make sure all first-time students have a successful transition into college life. We provide first-year students with extra support through strategic programming that focuses on positive academic transitions and the development of their educational planning during the on-boarding process. FYE is here to help you connect with the college and identify a degree path that leads to a degree completion or transfer.

Through partnerships with faculty, staff, and students, our program creates the space for students to define how they will engage, learn, and thrive at MSJC. Equity and Social Justice are a high priority at MSJC and the FYE program is committed in providing a welcoming and inclusive environment so that all first-time students have the opportunity to grow, learn and lead at MSJC and beyond.

Any first-time college student can become part of the First Year Experience! Articulated and/or previous dual or concurrent enrollment students who took courses through MSJC are welcome to apply. Students with incoming transferring units are not considered first time college students.

Guiding Light

[Guiding Light](#) is a student services program under the purview of Extended Opportunities Programs and Services (EOPS) with funding support through NextUp and a Student Success Fund with the MSJC Foundation. The mission of Guiding Light is to provide a pathway to a brighter future through innovative, transformative, support services, above and beyond, and in addition to the scope of the college and EOPS for current and alumni foster youth students attending MSJC.

Services

Guiding Light provides eligible students with specialized services which extend "above and beyond" college services and in addition to EOPS services, including:

- Academic, vocational and personal counseling
- Book grants*
- Priority registration
- Fees not covered by the California College Promise Grant (CCPG) - Student Health Fee, Transportation, SGA and parking fees*
- Meal grants/vouchers*
- Educational Supplies*
- Required and suggested course materials*
- Referrals to campus and community based support services
- UC/CSU application waivers
- Graduation packs*

*= Please note that these specialized services are based on availability of funds, your eligibility for NextUp funds, your unmet need, and are subject to change.

Honors Enrichment PROGRAM

The [Honors Enrichment Program](#) community is comprised of student scholars and faculty who share a passion for learning and the desire to expand their personal and academic horizons. We hope that you will enjoy the special contact with faculty, exploring academic subjects in more depth, and engaging in a variety of special intellectual challenges. Honors classes make it possible for you to stretch yourself intellectually, work actively with fellow students and faculty in an environment that encourages you to improve your critical thinking, and communication skills, and cultivate an understanding of the diverse points of view necessary for a rich and productive intellectual environment. Perhaps the most valuable aspect of the Honors Program will be the enthusiastic learning environment you will help to create, an environment we hope benefits not only honors students and faculty, but the college and greater community as well.

To complete the Honors Enrichment Program, students must complete a minimum of 15 credits in 5 honors courses that stress in-depth study, research, and challenging exploration of various areas of study. The 15 honors credits also count toward a student's credits leading to the Associate in Arts degree or the Associate in Science degree and are transferable as students continue their education toward a higher degree at a senior university. Honors courses are listed alphabetically by subject.

International

STUDENTS PROGRAM

The [International Students Program](#) is not accepting applications until further notice.

INS Regulations

The Department of Immigrations and Naturalization of the United States government is very concerned with the legality of F-visa students in this country. For this reason they require that the students, at the time of arrival in the US, show a valid passport as well as the I-20 form from the college he/she is planning to attend. At this time an I-94 (Arrival-Departure record) will be stapled to the passport. MSJC will accept transfer students from other institutions in the United States but prior to transfer, a student must attend the college that issued the I-20.

Admission of International Students

Use the checklist below as you complete your application. Incomplete applications cannot be acted upon until all documents are received.

- Complete the International Students Application for Admissions
- Attach recent passport photo to application
- Provide copy of visa and information pages from passport or your birth certificate
- Provide personal essay
- Provide high school transcripts or high school competition certificate
- Include application fee of \$90USD (Money order or Check drawn on U.S. funds: payable to MSJC)
- Include original Statement of Sponsorship form included in packet which is signed and notarized by your U.S. sponsor whom you will be living with in the U.S. (If you are independent you do not need this)
- Provide proof of financial support: letter from the sponsors financial institution dated within 30 days of applying stating the sponsor has at least \$12,000USD in their account for 3 consecutive months or three consecutive months bank statements
- Provide proof of TB test and other immunizations
- If applicable - Provide official TOEFL scores 450 paper based, 45 internet based, STEP Eiken test - Level 2, IELTS 4.5, or English language completion certificate
- If transferring, provide a copy of front and back of the I-94 form, visa and information pages from passport, a copy of the front and back of the I-20 from previous school and a (letter of Transfer included in packet) from that school.

Learning Resource CENTER

The [Learning Centers](#), located at all campuses, the Temecula campus, the Menifee Valley campus, and the San Jacinto campus, provide tutoring online and in person (when campus is open), group study and meeting spaces, handouts, workshops, computers, and other learning support resources for all MSJC students free of charge!

Help is available in math, English, science, and numerous other classes. Support is also provided to help improve your learning skills, such as time management and test anxiety. Online tutoring is available in Canvas for most MSJC courses. Tutoring support is also available through NetTutor and STAR-CA free of charge, as well.

Your success is our business! You can find justice and confidence in learning by working with our tutors.

Please come see us or get in touch with a live person by visiting us during open hours on the web: [Learning Resource Center](#).

ALL students are welcome and every one of our services are FREE and available to you.

Personalized Academic Learning Services

The [Personalized Academic Learning Skills \(PALS\)](#) program offers specialized instruction and services to students who are identified as having specific learning disabilities under the California Community College Learning Disability and Eligibility and Services Model (LDESM). Specific learning disabilities are often due to constitutional, genetic, and or neurological factors and are not primarily due to visual or auditory sensory deficits, mobility limitations, severe emotional disturbances, economic disadvantage, cultural or language differences.

A Learning Disabilities assessment is designed to determine strengths and weaknesses, educational limitations and compensatory strategies. Specialized classes in study skills and mathematics support teach compensatory strategies designed to help students maximize their success in college. Services include computer technologies, personalized tutoring, individualized assistance, PALS courses, and study skills workshops.

Services

- PALS Tutoring,
- Information about PALS courses,
- Individualized Assistance,
- Learning Disability Assessment

PUENTE

The [Puente Project](#) at MSJC is a two-semester program designed to help students adjust to college life and prepare for transfer to four-year universities. The program is unique in that it explores the Latino/a experience through literature. Puente is open to, and welcomes all MSJC students.

Benefits:

- Succeed academically
- Have unlimited access to a counselor and English instructor
- Graduate and/or transfer from MSJC to 4 year colleges or universities
- Graduate from 4-year colleges and universities and pursue Master's degrees
- Are often awarded scholarships (must apply for these scholarships)
- Belong to a statewide network of leaders and professionals
- Understand the UC and CSU system of higher education
- Are recognized as leaders and scholars in their communities

Student CONDUCT

Student Conduct

It is expected that all students attending MSJC have read, understand, and will abide by the District's Student Code of Conduct as set forth in the [College Catalog](#) and [AP 5500](#). MSJC strives to create a safe learning environment for the campus community and affirms the values of honesty and integrity essential to academic life and personal development.

Grievances

A student has the right to pursue a grievance against any employee alleged to have treated the student unfairly or inappropriately. Review the [College Catalog](#) or [AP 5530](#) for detailed information regarding grievances including how to file a grievance.

Title IX

MSJC is committed to providing an academic and work environment free of unlawful sexual harassment and discrimination under federal law, state law, and District policy.

The Title IX Office provides support, information, and resources to those who experience sex or gender-based misconduct including, but not limited to:

- Sexual harassment
- Sexual assault
- Dating violence
- Domestic violence
- Stalking
- Sexual violence
- Sexual exploitation

Please review the [College Catalog](#) or [AP 3434](#) for more information.

Student HEALTH CENTER

MSJC [Student Health Centers](#) are your centers of health and well-being. We treat the whole person and aim to prepare you to be successful in life, not just in school.

MSJC Student Health Centers operate around the 8-Dimensions of Wellness:

- Physical
- Intellectual
- Emotional
- Social
- Spiritual
- Occupational
- Financial
- Environmental

Focusing our program on The Eight Dimensions of Wellness, we are able to give you the tools to not only evaluate your overall health and wellness but empower you to make choices and change habits that will improve your quality of life.

Services include quality health care in the form of: registered nurse visits; free over-the-counter medication; health education; wellness workshops; immunizations; immunization reviews; COVID-19 and Influenza testing; Nurse Practitioner wellness, illness, and/or injury visits; lab testing; diagnostic testing; mental health counseling and so much more.

Student Life & DEVELOPMENT

The [Student Life and Development Program \(SLDP\)](#) office offers students a variety of opportunities to learn through their involvement in campus life. Involvement and activity outside of the classroom has the power to solidify learning inside of the classroom. Engagement opportunities the SLDP office promotes include, but are not limited to student participation in the following:

Student Government Association (SGA)

SGA is the representative organization of the MSJC student body. It is composed of elected and appointed student officers, each with designated duties assigned. SGA is designed to develop leadership and responsibility, to provide opportunities for the development of the social and cultural interests of students, and to promote college spirit and student morale. All students are encouraged to join and take an active part in the SGA through participation in weekly meetings and/or SGA events.

Inter-Club Council (ICC)

The ICC is a council composed of student leaders from the various MSJC Campus Clubs. The Council supports all Campus Clubs by providing training opportunities and facilitating collaboration among student organizations. In order for Campus Clubs to conduct business (events, activities, and expenditures), they must participate consistently in ICC meetings and submit all required documents to initiate the approval process.

Campus Clubs

SLDP oversees the activation of all campus clubs and works to support student engagement, organize club events, and promote and market activities. Through the ICC, student leaders from all chartered clubs have the opportunity to share information, collaborate on events, and be in community with other club members.

TRIO

Talent Search

Talent Search Program at MSJC provides economically disadvantaged and first generation college-bound students with academic support, access and exposure to postsecondary education.

Talent Search is a team effort. This pre-college program, working in cooperation with three schools in the San Jacinto School District area, enables students to complete high school and enroll in a postsecondary educational program of their choice.

Talent Search is 100% federally funded by the U.S. Department of Education, and is part of the TRIO Programs. Two-thirds of the applicants selected must be low-income and/or first generation college students (this means that neither parent has graduated from a four-year university).

To join, talk with your middle or high school (Monte Vista and North Mountain Middle Schools, and San Jacinto High School) counselor.

Upward Bound

The purpose of the Upward Bound Project (UB) is to identify eligible youths who are from low-income and potential first-generation college students. UB will encourage project participants to remain and complete high school while setting higher standards for a college education. Furthermore, UB will provide the necessary tools to prepare students to enroll and succeed in college.

To join, talk with your high school counselor (San Jacinto High School only).

Umoja (a Kiswahili word meaning unity) is a learning community dedicated to the academic success, personal growth, and self-actualization of African-American and other students. All Umoja values and practices are inspired by African and African-American intellectual, cultural, and spiritual gifts.

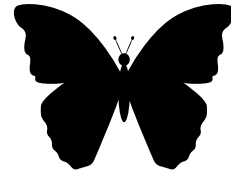

The mission of Umoja at MSJC is to support the persistence and retention of all students toward defined educational goals, transfer, certificate, and associate degree while fostering self-efficacy among these students as well.

Veteran SERVICES

MSJC values its Veterans, Active-Duty Service Members and Dependents. Through [Veterans Services](#), students are offered personalized assistance to support their transition to and success at MSJC. Services include priority registration, academic counseling, dedicated space to study, access computers and free printing. Additional services include peer support and mentoring and opportunities for comraderies and engagement.

A majority of MSJC's degree and certificate programs are approved for U.S. Department of Veterans Affairs (VA). Our Employment Concentration programs are not.

The following educational benefits are available to Veterans and Dependents at MSJC:

- Chapter 33 (Post-9/11 GI Bill®)
- Chapter 30 (Montgomery GI Bill® - Active Duty)
- Chapter 31 (Veteran Readiness and Employment Program)
- Chapter 35 (Dependents Educational Assistance)
- Chapter 1606 (Montgomery GI Bill® - Reservists)
- Cal Vet Fee Waiver
- The California Military Department GI Bill® Award Program (CMD GI Bill®)

Military students are required to choose a major and enroll in classes required of that major. Enrolling in classes not required of a major may lead to a reduction or termination of benefits.

STUDENT SUCCESS TOOLS

SMART Goals

S.M.A.R.T. is an acronym for the 5 steps of specific, measurable, achievable, relevant, and time-based goals. It's a simple tool used to go beyond the realm of fuzzy goal-setting into an actionable plan for effective results.

SPECIFIC Goals should be simply written and should clearly define what you are going to do. Specific is the What, Why, and How of the S.M.A.R.T. goals tool.

MEASURABLE A goal without a measurable outcome is like a sports competition without a scoreboard or scorekeeper. Numbers are an essential, put concrete numbers in your goals to know if you're on track. A measurable goal lets you know when you have achieved it.

ATTAINABLE Far too often, people set goals beyond reach. Dream big and aim for the stars but keep one foot firmly based in reality.

RELEVANT Achievable goals are based on the current conditions and realities of the environment.

TIME-BASED Goals and objectives just don't get done when there's no time frame tied to the goal-setting process. Whether your goal is to graduate or increase your GPA choose a time-frame to accomplish your goal.

Example: I will graduate with an Associate's Degree in Communications Studies in the Spring of 2024.

Plagiarism

WHAT IS PLAGIARISM?

Many people think of plagiarism as copying another's work or borrowing someone else's original ideas. But terms like "copying" and "borrowing" can disguise the seriousness of the offense.

Plagerism is to:

- steal and pass off (the ideas or words of another) as one's own
- use (another's production) without crediting the source
- commit literary theft
- present as new and original an idea or product derived from an existing source

In other words, plagiarism is an act of fraud. It involves both stealing someone else's work and lying about it afterward.

BUT CAN WORDS AND IDEAS REALLY BE STOLEN?

According to U.S. law, the answer is yes. The expression of original ideas is considered intellectual property and is protected by copyright laws, just like original inventions. Almost all forms of expression fall under copyright protection as long as they are recorded in some way (such as a book or a computer file).

ALL OF THE FOLLOWING ARE CONSIDERED PLAGIARISM:

- turning in someone else's work as your own
- copying words or ideas from someone else without giving credit
- failing to put a quotation in quotation marks
- giving incorrect information about the source of a quotation
- changing words but copying the sentence structure of a source without giving credit
- copying so many words or ideas from a source that it makes up the majority of your work, whether you give credit or not (see our section on "fair use" rules)
- turning in artificial intelligence (AI), such as ChatGPT, generated work as your own

Most cases of plagiarism can be avoided, however, by citing sources. Simply acknowledging that certain material has been borrowed and providing your audience with the information necessary to find that source is usually enough to prevent plagiarism. See our section on citation for more information on how to cite sources properly.

Students found responsible for plagiarizing are subject to disciplinary procedures outlines in [AP5520](#).

This information and information on types of plagiarism and plagiarism prevention can be located at: plagiarism.org/understanding-plagiarism.

Tips for Academic Success

1. ATTEND EVERY CLASS.

When you miss classes, you miss notes, assignments, lectures, and more. If you violate the attendance policy for a class, you could fail that class or be dropped from the class. Avoid absences every chance possible.

2. BE ORGANIZED.

Use some type of a planner either digital or hardcopy to keep track of assignments and due dates. Keep a separate notebook for each class.

3. MANAGE YOUR TIME WELL.

Schedule study sessions and time to complete homework. Learn to say no and learn how to take time for yourself.

4. BE COMMITTED TO YOUR CLASS.

Do every assignment on time. Participate in class and communicate with your instructor.

5. TAKE GOOD NOTES.

Take notes that are easy to read so that you can refer to them. If you miss a class, ask for a classmate for a copy of the lecture notes or get the notes from a friend.

6. KNOW HOW TO READ A TEXTBOOK.

Scan words in bold and italic print, summaries, and charts. Read with a purpose. Review by scanning the material again to check your comprehension.

7. STUDY SMART.

Find a quiet place to study that is free of distractions. Start studying as soon as possible while the information is still fresh in your memory.

8. KNOW HOW TO TAKE TESTS.

Have all the materials that you need. Answer the questions that you know first. Come back to the questions that you are not sure about.

9. REDUCE TEST ANXIETY.

Study early and often so that you are always prepared for a test. Take a deep breath, then read each question carefully, one at a time.

Tips for Academic Success, cont.

10. USE MSJC'S RESOURCES.

Resources such as the Learning Resource Center, Instructors, Advisors, Counselors, and the Library. Libraries are made for students. Because libraries offer few distractions, most people find they can accomplish more in less time.

11. STUDY.

Plan a minimum of two hours of study time per week for each one unit of credit you are taking. You will see the difference at exam time.

12. FIND THE BEST TIME OF THE DAY FOR YOU TO STUDY.

Choose a study time when you feel refreshed and awake. This may be early in the morning or late at night. Experiment and see what works best with your schedule. If you are not a morning person, try evenings. Remember not to get too comfortable. If you choose a time when you are tired and ready for bed, you will fall asleep! Also, use this rule when taking classes.

13. STUDY DIFFICULT SUBJECTS FIRST.

Most of your time. We study our favorite or easiest subjects first, putting off more difficult tasks. But if you study your worst subjects first, the rest of the day will be a breeze. You will have a better understanding of the material and be less likely to fall asleep while studying.

14. TAKE FREQUENT BREAKS.

Avoid marathon study sessions. Like a runner, you will collapse at the end or may not even make it through the race. Try studying in intervals of one hour, taking 10 or 15 minute breaks each hour.

15. PAY ATTENTION.

Turn off your phone and social media accounts so that they are not vying for your attention.

INSTRUCTIONAL SERVICES

MSJC's [Instructional Services Division](#) is dedicated to the quality and integrity of all educational programs in the District. We advance the college's vision of transforming learners, transforming communities, and transforming lives by providing programs that are innovative and responsive to all students. The Instructional Services Division provides leadership and instructional support that ensures learner-centered and equity-minded teaching practices and curriculum that promotes academic excellence.

Academic Assistance Request

As part of its comprehensive programming, Instruction offers a way for students to see help regarding classroom issues.

Follow these steps for assistance:

1. Does your issue conflict with your course syllabus, assignments, and or an exam? If yes, contact your instructor. If no, continue to step 2.
2. Have you initiated a resolution with your instructor first? If yes, and you have not received a response, go to step 3.
3. If a resolution is not found, complete the [Academic Assistance Request Form](#) and upload it to the [Document Hub](#).
