

Research Request Form

To help us organize, prioritize, and track our work, we have created a research agenda. Please take some time and consider the data, information, or research your department or committee will need. If you would like assistance from the Office of Institutional Research and Planning, complete the following research request form. This information will help us plan to ensure that resources are available to meet your needs.

Requested by: (Name of Individual, Department, or Committee)

Contact Name:

Email:

Project Description:

What Questions would you like the data to answer?
