Student Learning Outcomes and Assessment

Note: Colleges were expected to achieve the proficiency level of Student Learning Outcomes assessment by fall 2012. At this time, colleges are expected to be in full compliance with the Accreditation Standards related to student learning outcomes and assessment. All courses, programs, and student and learning support activities of the college are expected to have student learning outcomes defined, so that ongoing assessment and other requirements of Accreditation Standards are met across the institution. In completing the 2017 Annual Report, please refer to the revised Accreditation Standards adopted June 2014.

Other Information

Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).	
23.	<p>Question 19: Job Placement Rates For Students Completing Certificate Programs and CTE Degrees</p> <p>It is important to note that the CTE degrees/certificates (A.S. Child Development Education, A.S.-Administration of Justice, and Certificate-Administration of Justice) that indicated 0% job placement rates in question #19 is reflective of the fact that each of the degrees/certificates did not have 10 or more students complete the program in the 2015 cycle; however, the programs did have completers in the previous 2014 and 2013 academic years and therefore they were presented in the job placement rate chart.</p>

The data included in this report are certified as a complete and accurate representation of the reporting institution.
