## Non-Credit Ceramics Classes

**Mt. San Jacinto Community College**

Ceramics is an introduction to working the clay, emphasizing basic hand building, surface treatments, and finished glazing. The use of the potter's wheel will also be introduced with concentration on centering and basic thrown shapes.

Classes are filled on a first-come, first-served basis. No early registration accepted. All students must present an ID with a **check** or **money order** for the amount of \$25. All students must show up in person to register themselves. **We will not be accepting credit cards or cash during registration.**

**In - person classes will follow state and county COVID-19 health requirements. For information about COVID-19 protocols on MSJC campuses, visit [www.msjc.edu/SafeReturn](http://www.msjc.edu/SafeReturn) .**
