### **Adult Education**

*FREE English as a Second Language (ESL), Citizenship (CITZ), High School Education Classes (GED), and Introduction to Career Classes*

#### **English as a Second Language (ESL)**

MSJC provides ESL students with free English classes. Our classes help you develop listening, speaking, reading, and writing skills that pertain to life and work in the United States.

#### **General Education Development (GED)**

Our GED classes prepare you to take the GED or HiSET exam that, when passed, offers a high school equivalence certificate.

#### **Citizenship (CITZ)**

Citizenship classes prepare immigrants for the naturalization process and the United States Citizenship and Immigration Services interview. You'll learn U.S. government and history, and practice reading and speaking skills necessary to pass the test.

#### **Introduction to Career Classes**

Introduction to Career Classes are non-credit classes that help prepare you as a continuing student in the certificate or degree programs that Mt. San Jacinto College offers.

#### **Non-Credit Counseling Services**

All Adult Education classes include academic and career counseling. If you're interested in continuing your education, or taking career training courses, you will have access to counseling services during scheduled classes throughout your semester. We want to better prepare you to meet your personal goals.

*Preparing Students to Be Community Ready, College Ready, and Career Ready*
