Adult Education

FREE English as a Second Language (ESL), Citizenship (CITZ), High School Education Classes , (ABE, HSE / GED), & Introduction to Career Classes

English as a Second Language (ESL)

MSJC provides ESL students with free English classes. Our classes help you develop listening, speaking, reading and writing skills that pertain to life and work in the United States.

Adult Basic Education (ABE) & General Education Development (GED)

Our ABE, GED / HSE classes prepare you to take the GED exam that, when passed, offers a high school equivalence certificate.

Citizenship (CITZ)

Citizenship classes prepare immigrants for the naturalization process and the United States Citizenship and Immigration Services interview. You'll learn U.S. government and history, and practice reading and speaking skills necessary to pass the test.

Counseling Services

All Adult Education classes include academic and career counseling. If you're interested in continuing your education, or taking career training courses, you will have access to counseling services during scheduled classes throughout your semester. We want to better prepare you to meet your personal goals.

Are you an adult who wants to jump start your career training and re-enter the workforce? Are you changing careers and need to learn new skills? Are you looking for a class that opens employment opportunities and training for you?
