MSJC CAMPUS SAFETY IMPROVEMENTS SINCE 2021

- Campus Safety has increased its staffing and added two dedicated Riverside Sheriff's Deputies to the Temecula Campus.
- Campus Safety has increased the number of cameras and visibility by over 66% within the last year.
- Campus Safety Officers provide dispatch services and monitor all MSJC campuses 24/7.
- A Campus Safety Operations Center was built at the Temecula Campus.
- Campus Safety has increased the available radios which enables accessibility to administrators during emergency situations.
- Parking Permits will now be available via an app (Summer 2022.)
- Trained Safety Staff in CPR.
- Trained Safety Staff in De Escalation.
- Trained Safety Staff in Diversity.
- Developed new Training Manual for Campus Safety Officers.
- Created Departmental policy and procedures for Campus Safety.
- Created standing Campus Safety Officer post orders for each Campus.

MSJC CAMPUS SAFETY PLANNED ACTIONS

- Continued Camera upgrades and increased coverage throughout all campuses
- Discontinue use of day parking permit machines and adapt to Web based purchase.
- Work with Stakeholders (Riverside Sheriff's Office, Risk Management, and Compliance Officer to devise ongoing safety drills.)
- Complete TVC Safety Operations Center with 5 workstations to be up and operational.
- Ongoing Training in De Escalation, CPR, and Diversity
- Ongoing compliance with SB1626.
