Mt. SAN JACINTO COLLEGE

2015 ANNUAL REPORT CLERY ACT DISCLOSURES

Mt. San Jacinto College is dedicated to providing a safe and healthy campus environment for students, employees, and the public who visit our campus. The college police department operates 16 hours a day, five days a week, Monday through Friday, from 7:00 am to 11:00 pm. A police officer or campus safety officer is on duty during these times to respond to calls for assistance. In 1990, the U.S. Congress enacted the "Crime Awareness and Campus Security Act of 1990," which requires colleges and universities to disclose information about crime on and around their campuses. This law was renamed in 1992 to the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act." The following information is available to the public and provides statistical, policy, and procedural information required by law.

Annual Report Policy

The college police department prepares this annual security report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be accessed from our website. This report is prepared in cooperation with the police agencies surrounding our campuses and alternate sites.

To comply with the act, we collect crime statistics from local police agencies, by providing the addresses of off campus properties either owned or controlled by the college or public property immediately adjacent to the college campus. All local police agencies provide automated statistics for the property and a radius around the property requested. These statistics may also include crimes that have occurred in private residences or businesses and is not required to be reported by law. Student organization recognition does not extend beyond the college and student organizations are not recognized to engage in activity off campus. Copies of the report may also be obtained at the police department, 28237 La Piedra Road, Menifee, CA. 92584 or by calling (951) 639-5188. All prospective employees may obtain a copy from Human Resources in building 200 on the San Jacinto Campus, 1499 N. State Street, San Jacinto, Ca. 92589 or by calling (951) 487-3150. Prospective students and employees may access the annual report at the college website. Portions of the annual report are printed in the college catalog and class schedules for the Fall and Spring semesters and the Winter and Summer Intercessions.

SECURITY REPORTS

Campus Law Enforcement Authority

The Mt. San Jacinto College Police Department has the authority to enforce the Student Discipline Code of Conduct and the State of California Penal/Vehicle Code under Education Code Section 72330. The Mt. San Jacinto College Board of Trustees has established the police department as a Community College Police Department under Education Code Section 72330(a), which authorizes the governing board of a community college district to establish a Community College Police Department under the supervision of a Community College Chief of Police. Although a designated police department, the Mt. San Jacinto College Police Department has a memorandum of understanding mandated by the "Crime Awareness and Campus Safety Act of 1990," that the Riverside County Sheriff's Department has jurisdiction to investigate all crimes occurring on Mt. San Jacinto College Campuses if called upon.

Crime Prevention

The police department's primary responsibility is the safety and security of all members of the college community. Every effort is made to inform students and staff of criminal activity or any other concern that may be an immediate threat to the safety and security of those on campus.

Information and workshops on crime prevention are made available to college students and staff throughout the academic year, online alerts, and articles in the student newspaper. The police department also collaborates with the Riverside County Sheriff's Department in crime prevention events that inform the college community about theft prevention practices. It is the responsibility of every member of the campus community to act in ways that promote the safety of self, others, and the protection of district property.

Reporting Crimes & Emergencies

Students and staff should report serious crimes and emergencies, i.e., fire/medical, occurring on campus to the college police department, or call 911. When using an on-campus extension, call 9-911. Incidents may be reported to the police department by calling (951) 639-5188, 16 hours a day, five days a week, from 7:00 am through 11:00 pm. During normal business hours, the Police Department may be contacted at Building 1800 on the Menifee Valley Campus, Room 1804, or by calling ext. 5188. The police department is located at the northeast portion of the campus off La Piedra Road in Building 1800.

In the event of an emergency, students and staff are requested to make a prompt and accurate report to the police department. Timely Warning Policy

If a situation arises on campus that poses an ongoing or continuing threat to the college community, the college Chief of Police will determine if a "timely warning" will be issued to inform the campus of the threat. Timely warnings are given through college email and electronic text systems to students, faculty and staff, flyers posted throughout the campus on the exterior doors of campus buildings, and alerts posted in the student newspaper. Timely warnings provide the college community with the information about serious incidents and crime prevention recommendations.

Campus Emergency Notification System

The Mt. San Jacinto College Police Department has the responsibility to respond and assess situations or incidents that may pose an immediate or ongoing threat to the safety and health of the college community. The Chief of Police will assess situations or incidents reported on campus and the surrounding areas to determine whether an immediate or ongoing threat exists.

Upon confirming that there is an immediate threat to the safety of the college community or specific segments of the college community, the Chief of Police, the Chief Technology Officer, the Director of Marketing and Public Affairs, and the college President/Superintendent, are the authorized administrators who will collaborate to determine the content of the emergency notification notice and will use part or all of the emergency notification systems listed below, to communicate the threat to the entire college population or segments thereof.

Mt San Jacinto College has a campus wide emergency notification system. This system will enable the authorized college personnel to quickly notify students, faculty, and staff about any campus emergency with personalized voice, text, and e-mail messages. It is important that all students, staff and faculty provide the college administration with correct contact information so that proper emergency notification can be made.

The police department patrol vehicles are equipped with public address systems and during critical emergencies are strategically located throughout the campus to facilitate notification and communication through these amplification systems. The college digital marquis signs located in the front of the Menifee and San Jacinto campuses may also be used to communicate and notify students and staff of immediate or ongoing threats. The campus email system will be utilized to communicate alerts and ongoing updates to faculty and staff. The college's student Web Portal will also be utilized to notify students of threats and emergency updates as well.

Emergency Response/Evacuation Maps Online

In compliance with the Higher Education Act, Mt San Jacinto College Emergency Evacuation Maps are now available online to current and prospective students and employees. The plan contains the emergency evacuation maps that will allow students and college employees to safely evacuate the college campuses should an event occur that threatens the safety and security of the college community.

Access & Security Issues

All buildings will be secured by the police department by 11:00pm on weekends. The campuses are closed on the weekends. We recognize that there will be some need for after-hours and weekend access to buildings. After hours, a faculty or staff I.D. is required. Anyone working late should notify the police department.

Access to College facilities is limited to staff, students and escorted guests. Entry is monitored during hours when the college is open, from 7:00 am to 11:00 pm Monday, through Friday. The campus facilities are maintained by Facilities Management and patrolled by the police department. The officers patrolling the campuses recommend the trimming of shrubbery for safety reasons and conduct periodic lighting surveys. Officers report the need for replacement of lights and any other physical hazards they notice. Periodic crime prevention surveys are conducted when a crime trend occurs or upon physical changes of office space and equipment when requested by an administrator. Lighting and security improvements are constantly being

The police department works closely with local police agencies and employs security measures to reduce and prevent crime. We believe that security is everyone's responsibility and ask for your assistance.

As soon as possible, the victim of a sexual assault should report the incident to the college police department, the local police, or any faculty or staff member. The victim should make every attempt to preserve any physical evidence of the assault. This may include a voluntary medical exam, not showering or disposing of any damaged clothing or other items that are present after/during the assault. Victims are encouraged to call any law enforcement agency by dialing 911 after a sexual assault for a crime investigation, referral or transport for medical treatment and referral to crisis counseling and legal advocacy.

Disciplinary actions may be imposed on recognized individual students, student organizations and/or any college faculty or staff responsible for a sexual assault. College sanctions following campus disciplinary procedures depend on the outcome of the investigation and may range from suspension to expulsion. Every effort will be made to criminally prosecute perpetrators of sexual assaults. The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding and both shall be informed of the outcome.

Sexual Assault Prevention Programs
