Mt. SAN JACINTO COLLEGE

2016 ANNUAL SECURITY REPORT
CLERY ACT DISCLOSURES

Mt. San Jacinto College is dedicated to providing a safe and healthy campus environment for students, employees, and the public who visit our campus. The Campus Safety Department operates five days a week, Monday through Friday, from 7:00 am to 11:00 pm. A Riverside County Sheriff's Deputy assigned to the campus along with a campus safety officer is on duty during these times to respond to calls for assistance. In 1990, the U.S. Congress enacted the "Crime Awareness and Campus Security Act of 1990," which requires colleges and universities to disclose information about crime on and around their campuses. This law was renamed in 1992 to the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act." The following information is available to the public and provides statistical, policy, and procedural information required by law.

Annual Report Policy

The Campus Safety Department prepares this annual security report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be accessed from The Campus Safety website. This report is prepared in cooperation with the police agencies surrounding our campuses and alternate sites.

To comply with the act, we collect crime statistics from local police agencies, by providing the addresses of off campus properties either owned or controlled by the college or public property immediately adjacent to the college campus. All local police agencies provide automated statistics for the property and a radius around the property requested. These statistics may also include crimes that have occurred in private residences or businesses and is not required to be reported by law. Copies of the report may also be obtained at the Campus Safety Department, 28237 La Piedra Road, Menifee, CA. 92584 or by calling (951) 639-5188. All prospective employees may obtain a copy from Human Resources in building 200 on the San Jacinto Campus, 1499 N. State Street, San Jacinto, Ca. 92589 or by calling (951) 487-3150.

Prospective students and employees may access the annual report at the college website. http://www.msjc.edu/CampusSafety/Documents/CLERYreport2016.pdf Portions of the annual report are printed in the college catalog and class schedules for the Fall and Spring semesters and the Winter and Summer Intercessions.

SECURITY REPORTS

Campus Law Enforcement Authority

The Mt. San Jacinto Campus Safety Department, along with Riverside County Sherriff's Deputies assigned to the college, have the authority to enforce AP 5500 Standards of Conduct Policy and the State of California Penal/Vehicle Code under Education Code Section 72330. The Mt. San Jacinto College Board of Trustees has established the Campus Safety Department as a Community Campus Safety Department under Education Code Section 72330(a), which authorizes the governing board of a community college district to establish a Community Campus Safety Department under the supervision of the Director of Campus Safety. The Mt. San Jacinto College Campus Safety Department has a memorandum of understanding mandated by the "Crime Awareness and Campus Safety Act of 1990," that the Riverside County Sheriff's Department has jurisdiction to investigate all crimes occurring on Mt. San Jacinto College Campuses if called upon.

Campus Security Authority

"Campus security authority" is a Clery-specific term that encompasses four groups of individuals and organizations associated with an institution.

• A campus police department or a campus security department of an institution.

• Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security.

• Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.

• An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings.

An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution. If someone has significant responsibility for student and campus activities, he or she is a campus security authority.

Crime Prevention

The Campus Safety Department's primary responsibility is the safety and security of all members of the college community. Every effort is made to inform students and staff of criminal activity or any other concern that may be an immediate threat to the safety and security of those on campus.

Information and workshops on crime prevention are made available to college students and staff throughout the academic year, online alerts, and articles in the student newspaper. The Campus Safety Department also collaborates with the Riverside County Sheriff's Department in crime prevention events that inform the college community about theft prevention practices. It is the responsibility of every member of the campus

community to act in ways that promote the safety of self, others, and the protection of district property.

Timely Warning Policy

If a situation arises on campus that poses an ongoing or continuing threat to the college community, the college Director of Campus Safety in consultation with the college President and Vice-President of Student Services will determine if a “timely warning” will be issued to inform the campus of the threat. Timely warnings are given through college email and electronic text systems to students, faculty and staff, flyers posted throughout the campus on the exterior doors of campus buildings, and alerts posted in the student newspaper. Timely warnings provide the college community with the information about serious incidents and crime prevention recommendations.

Campus Emergency Notification System

The Mt. San Jacinto Campus Safety Department has the responsibility to respond and assess situations or incidents that may pose an immediate or ongoing threat to the safety and health of the college community. The Director of Campus Safety will assess situations or incidents reported on campus and the surrounding areas to determine whether an immediate or ongoing threat exists.
Upon confirming that there is an immediate threat to the safety of the college community or specific segments of the college community, the Director of Campus Safety, the Chief Technology Officer, the Director of Marketing and Public Affairs, and the college President/Superintendent, are the authorized administrators who will collaborate to

determine the content of the emergency notification notice and will use part or all of the emergency notification systems listed below, to communicate the threat to the entire college population or segments thereof.

Mt San Jacinto College has a campus wide emergency notification system. This system will enable the authorized college personnel to quickly notify students, faculty, and staff about any campus emergency with personalized voice, text, and e-mail messages. It is important that all students, staff and faculty provide the college administration with correct contact information so that proper emergency notification can be made. Go to the following web site for directions on how to update your information to ensure you receive the notifications. http://www.msjc.edu/Alert/Documents/MSJCAlertContactInformation.pdf

The Campus Safety Department patrol vehicles are equipped with public address systems and during critical emergencies can be strategically located throughout the campus to facilitate notification and communication through these amplification systems. The Campus Safety Department also has mobile public address systems available for deployment as needed. The college digital marquis signs located in the front of the Menifee and San Jacinto campuses may also be used to communicate and notify students and staff of immediate or ongoing threats. The campus email system will be utilized to communicate alerts and ongoing updates to faculty and staff. The college's student Web Portal will also be utilized to notify students of threats and emergency updates as well.

Emergency Response/Evacuation Maps

In compliance with the Higher Education Act, Mt San Jacinto College Evacuation route maps are located on the walls of all rooms near the doors.

Access & Security Issues

All buildings will be secured by the Campus Safety Department by 11:00pm on weekdays. The campuses are closed on the weekends except for authorized special events. We recognize that there will be some need for after-hours and weekend access to buildings. After hours, a faculty or staff I.D. is required. Anyone working late should notify the Campus Safety Department at (951) 639-5188.

Access to College facilities is limited to staff, students and escorted guests. Entry is monitored during hours when the college is open, from 7:00 am to 11:00 pm Monday, through Friday. The campus facilities are maintained by Facilities Management and patrolled by the Campus Safety Department and Riverside County Sherriff's deputies assigned to the college. The officers patrolling the campuses recommend the trimming of shrubbery for safety reasons and conduct periodic lighting surveys. Officers report the need for replacement of lights and any other physical hazards they notice. Periodic crime prevention surveys are conducted when a crime trend occurs or upon physical changes of office space and equipment when requested by an administrator. Lighting and security improvements are constantly being evaluated.

Safety of Campus Facilities / Residences

Mt. San Jacinto College does not provide housing or residences for students, faculty, or staff on or off-campus. Regarding on-campus security, Mt. San Jacinto College strives to:
