Temecula Valley Campus Evacuation to Emergency Assembly Point (EAP)

All floors descend to the first floor using staircases.

Once on the first floor, exit the building through the front lobby or exit through the rear doors into the courtyard area.

Staff will guide you to one of the emergency assembly points.

Emergency assembly point A is north of the front lobby.

Emergency assembly point B is northwest of the front lobby.

Emergency assembly point B is south of the front lobby.

Emergency assembly point C is directly south of the rear courtyard area.
