Mt. San Jacinto College

Your Future Starts Here at MSJC!

At Mt. San Jacinto College (MSJC), we're all about helping you reach your goals—whether that's earning a degree, landing a great job with a career certificate, or transferring to a four-year university.

This viewbook gives you a glimpse of what's waiting for you at MSJC: exciting programs, passionate professors, campus events that keep things fun, and the support you need to succeed. We believe in you and are committed to making sure every student has an equal opportunity to thrive. That's why we created the MSJC Equity Pledge—a promise to break down barriers and build a campus where everyone feels welcome and empowered.

With top-notch programs and award-winning faculty, we'll help you prepare for whatever comes next. MSJC isn't just a college—it's a community ready to support you every step of the way.

Join us, and let's make your future happen. We're here for you!

Roger Schultz, Ph.D.
Mt. San Jacinto College District

Vision Statement

Transforming Learners. Transforming Communities. Transforming Lives.

Values Statement

As students, employees, and a community, we value empowerment through education, uphold integrity in our work, and champion equity in education through our commitment to open communication, seizing opportunities, fostering growth, embracing diversity, welcoming all, and caring for one another.

Mission Statement

MSJC's purpose is to provide an accessible education, to instill hope, and to empower our students to transform their lives and those around them. We provide equity-minded education to combat systemic barriers, promote social mobility, and provide opportunities for educational advancement.

MSJC offers degrees and certifications for career and university preparation, as well as opportunities for lifelong learning and enrichment.

As a Hispanic-Serving Institution, we serve a diverse student population from various identities, cultures, socioeconomic backgrounds, life experiences, abilities, and educational needs that represent our community. MSJC is committed to learning and achievement through inclusive and culturally affirming environments that celebrate student voices and create space for self-exploration and growth. We encourage self-advocacy, civic responsibility, and commitment to becoming ambassadors of change in our communities and our world.

The MSJC Athletics Department proudly supports 12 intercollegiate sports teams—seven for women and five for men. Women’s teams compete in basketball, cross-country, soccer, softball, tennis, and both beach and indoor volleyball, while men’s teams participate in baseball, basketball, football, golf, and tennis.

The combination of a dedicated and capable coaching staff, state-of-the-art facilities, and an unrivaled Student-Athlete Support Program has allowed the department to assist students in earning over \$1 million in scholarships to colleges and universities across the country.

MSJC has a strong legacy of athletic excellence, with numerous postseason appearances, multiple conference championships, and a 2018 state title in women’s basketball. Many Eagles have advanced to compete at four-year institutions. Among MSJC’s notable alums is former NBA first-round draft pick Jamaal Tinsley.

Beyond the game, MSJC prioritizes student-athlete success through its comprehensive Student-Athlete Support Program, offering academic and personal development resources. These include a dedicated Student-Athlete Study Center, Scholars Program, Tutoring Services, and Progress Reports.

Student-athletes also benefit from the Summer Bridge Program and the Annual Athletic Forum, designed to enhance their academic and athletic journeys. With a commitment to excellence on and off the field, MSJC fosters an environment where student-athletes thrive, preparing them for competition, academics, and beyond.

At MSJC, students can access enriching opportunities beyond the traditional two-year college experience. Student Life is vibrant, featuring a variety of clubs and monthly events such as student BBQs, homecoming celebrations, and more.

The Student Government Association (SGA) serves as the student body's voice, advocating for student rights and fostering awareness of key issues. SGA also promotes academic, cultural, social, and community engagement. Meanwhile, The Talon, MSJC's student-run news outlet, informs students of on-campus events and important topics.

MSJC offers the Honors Enrichment Program for those seeking academic enrichment and is home to a 5-star chapter of Phi Theta Kappa, the prestigious international honor society. Leadership development is also a priority, with programs like the Puente Project, Umoja Community, A2MEND, and dedicated leadership courses designed to empower students and support their educational goals.

Whether through academics, leadership, or community involvement, MSJC provides a dynamic environment where students can grow, lead, and excel.

SUCCESS! PATHWAYS

MSJC programs are arranged into SUCCESS! Pathways – each designed to create a path to a career and academic degree, certificate, concentration, or skill set. Identify a program based on your interests and career focus. Through innovative teaching, redesign, and overlapping support, SUCCESS! Pathways empowers a community to work together to provide equitable services to close achievement gaps and enable all students to discover their potential and realize their dreams. msjc.edu/pathways

Online Learning

- **Online Real-Time** classes with required, scheduled, live online meetings to provide simultaneous interaction with the instructor and other students in real-time.
- **Online Anytime** classes are available on your own time, 24/7 via Canvas. Interaction with the instructor and other students may take place through discussion boards, group assignments, email, and other means. While instructors may offer optional Zoom sessions, real-time meetings are not required.
- **Blended Courses** offer a combination of Online Real-Time and Online Anytime components. There will be required, scheduled, live online meetings and more flexible instruction available on your own time.
- **Hybrid Courses** are a combination of face-to-face and online. Courses such as nursing and automotive require some face-to-face meetings, for example.

MSJC can help prepare you for high-wage, high-skill jobs in demand. Top professors teach our courses in real-world environments and are equipped with current, industry-specific technology, tools, equipment, and curriculum. MSJC is ready to prepare you to start, advance, or build your job skills. Learn more at [**msjc.edu/CareerEducation**](https://msjc.edu/CareerEducation)

- **ADMINISTRATION OF JUSTICE:** The Administration of Justice and Corrections program prepares students to earn a certificate, associate degree, or associate degree for transfer to a four-year university. The program is designed to prepare students for entry into various careers within the criminal justice field at the federal, state, county, or municipal levels. This includes police officers, deputy sheriffs, probation/parole officers, or corrections officers. Courses involve working with the latest equipment and technology: use of force and driving simulators, 3D laser crime scene and collision reconstruction scanners, forensics equipment, and computerized composite sketching software.
- **AUTOMOTIVE TECHNOLOGY:** The Automotive Technology program at MSJC emphasizes a real-world approach to diagnostic skill building and a thorough understanding of system theory and operations. This is accomplished using computer programs, audiovisual aids, instructor-led demonstrations, and hands-on experiences, such as state-of-the-art simulators, mock-ups, and modern vehicles.
- **AVIATION SCIENCE:** Aviation Science prepares students to become professional pilots or flight operations specialists. The program can be tailored to meet the needs of individual students and is designed for students without any flying experience.
- **BUSINESS ADMINISTRATION:** MSJC's Business Administration program offers various degree and certificate pathways, including an associate degree, associate degree for transfer, and certificates.

- **COMPUTER SCIENCE INFORMATION SYSTEMS/CYBER SECURITY:** CSIS offers students a well-equipped technical environment for instruction and lab. All CSIS courses are taught in computer-equipped classrooms, allowing hands-on experience using industry-standard hardware, application software, operating systems, networking, and programming tools. In addition to the CSIS degree, MSJC offers focused, specialized areas of study in networking, Internet authoring, programming, and others.
- **CREATIVE MEDIA:** Creative Media students learn hands-on, industry-ready skills in video production, visual effects, audio, photography, web design, or social media marketing to get started in the expanding digital media field. Students have access to cutting-edge equipment, with courses in both classrooms and professional live-streaming studios.
- **GEOSPATIAL INFORMATION SCIENCE (GIS)/DRONE:** GIS provides students a framework for gathering, managing, and analyzing data. GIS analyzes spatial location and organizes layers of information into visualizations using different kinds of map images and incorporating 2D and 3D scenes.
- **NURSING AND ALLIED HEALTH:** MSJC offers many career options in the health field. Some require one or two semesters, such as emergency medical technician (EMT). Others, including diagnostic medical sonography (DMS), take four semesters. Within the Nursing and Allied Health program, the career-ladder approach to education enables students to set short/or long-term attainable goals. MSJC's Nursing program continues to rank among the top programs in the state and nation, with consistently higher National Council Licensing Exam pass rates than most schools, ranging between 95% and 100%. The job market for Registered Nurses is forecast to grow nationwide, and nursing graduates secure employment in our region.

- **WINE INDUSTRY AND HOSPITALITY:** Wine Industry and Hospitality will prepare you for an exciting career in the wine industry. Our program introduces you to various disciplines in the winemaking industry. From basic winemaking (enology), grape cultivation (viticulture), event organization, and service (hospitality) to marketing and selling of wine (business principles). Mt. San Jacinto College's Wine Industry and Hospitality program will introduce you to the wine industry's many fields.
- **DIAGNOSTIC MEDICAL SONOGRAPHY:** The Diagnostic Medical Sonography (DMS) program at Mt. San Jacinto College is a competitive, non-transfer Associate of Science degree designed to prepare students for a rewarding healthcare career. Spanning four semesters plus one summer term, the program includes a 12-month clinical internship where students gain hands-on experience under licensed sonographers. In state-of-the-art campus labs and affiliated medical centers, students master ultrasound techniques and develop critical anatomy, pathology, patient care, and communication skills. Graduates are equipped to perform various ultrasound exams, including abdominal, obstetric, gynecological, and vascular studies, and are prepared to sit for national ARDMS exams such as Sonography Physics and Instrumentation (SPI), Abdominal (ABD), and Obstetrics and Gynecology (OB-GYN).

Need help finding a job?

Transfer with a Guarantee

MSJC transfers more than 1,000 students annually to UC, CSU, and private universities. MSJC is proud of its history of students who achieve top honors in higher education, such as the Jack Kent Cooke Scholarships, Gates Millennium Scholars, Coca-Cola Academic Team Scholars, and more.

The Associate Degree for Transfer (A.A.-T or A.S.-T) or ADT guarantees that students will meet the minimum eligibility requirements of the California State University (CSU) system. Students earning an ADT will be admitted to a CSU (not necessarily to a particular campus or major). You may be granted a bump in your GPA when applying to an impacted campus outside your local area or an impacted major deemed similar.

If you are admitted and enrolled in a designated similar degree program, you can complete your bachelor's degree with as little as 60 semester or 90 quarter units of coursework. A counselor will help you determine which CSUs offer bachelor's degrees that correspond to your ADT. It is still important for you to apply to the schools that interest you and follow admissions deadlines to be considered.

TAG agreements may also guarantee admission to some University of California (UC) system colleges upon completing a contract between the student and a four-year representative from the respective university. Agreements do not guarantee admission to the major of your choice.

Learn more at msjc.edu/transfercenter

Counseling

The Counseling Department promotes student success by responding to individual needs through academic, career, transfer, personal, and crisis counseling. The first term is critical for new students who have never attended college. The MSJC counselors are ready to help you launch a successful beginning, starting with the First Semester Planning Session, which provides new students with an educational plan. MSJC counselors can help new students, continuing/returning students, military veterans, incoming transfer students, first-year experience students, prospective students, and international students. [**msjc.edu/hub**](https://msjc.edu/hub)

Student Support Hub

The online Student Support Hub is a one-stop shop that provides students with a starting point for enrollment, financial aid, counseling, and more assistance. This one-stop shop provides the best ways to reach out to the various departments, such as the Welcome Center, during regular operating hours. The Hub also provides information about academic, technology support, emergency services, and additional Student Service areas. [**msjc.edu/hub**](https://msjc.edu/hub)

Welcome Centers

The centers assist students with the steps to become an MSJC student, online application, registration, and other online enrollment services and online orientation. The Welcome Center can help with the Free Application for Federal Student Aid (FAFSA). The Welcome Centers are on the SJC, MVC, and TVC campuses. The centers have professional staff and skilled student mentors to help you with your questions. It is a great place for new students to start their journey. [**msjc.edu/hub**](https://msjc.edu/hub)

Mt. San Jacinto College offers comprehensive services through its website, ***msjc.edu***. These include online admissions, registration, orientations, and many other convenient applications.

- **ACCOMMODATION SERVICE CENTER (ASC)** provides specialized support services such as counseling, testing accommodations, and equipment assistance to students with verified disabilities. **(951) 465-7969**
- **BASIC NEEDS CENTER – EAGLES LANDING** the new Basic Needs Center provides students with an on-site location with various resources to help them stay the course and succeed at MSJC. Find them in room 1425 at the San Jacinto campus, and room 2105 at the Meniffee Valley campus. ***eagleslanding@msjc.edu*** or ***msjc.edu/EaglesLanding***
- **FOOD FOR THOUGHT PANTRIES** partners with Feeding America to help support students with food insecurities. Learn more at ***eagleslanding@msjc.edu*** or ***msjc.edu/EaglesLanding***
- **CalWORKs** assists students who are on cash aid and have minor children. Services include academic, career, and personal counseling, a work-study program, funding for the MSJC childcare center, limited school supplies and laptop use, information about welfare-to-work requirements, and workshops on work/life skills to help you grow personally and professionally. **(951) 487-3475** or ***calworks@msjc.edu***
- **CHILD DEVELOPMENT & EDUCATION CENTER** offers childcare and preschool for children ages 18 months to 5 years old. We serve MSJC students and the community. **(951) 487-3605** or ***msjc.edu/childdevelopmenteducationcenter***
- **ENROLLMENT SERVICES** provides admissions/registration services for students. Student academic records are maintained in this office. **(951) 487-3215** or **(951) 639-5215**
- **EXTENDED OPPORTUNITY PROGRAMS & SERVICES (EOPS), CARE, DREAMERS, & GUIDING LIGHT PROGRAMS** offer additional support in counseling, instructional support services, and financial assistance for students who are considered educationally and financially disadvantaged. **(951) 487-3295**

SAN JACINTO CAMPUS

MT. SAN JACINTO COMMUNITY COLLEGE DISTRICT

- **FINANCIAL AID** provides applications, processes, state and federal grants, loans, scholarships, work-study programs, student employment, and fee waivers. Learn about the tuition-free MSJC Promise program at **(951) 465-7891** or **msjc.edu/free**
- **MAKERSPACES** offers students the new and innovative Animatronic Makerspace at the San Jacinto Campus and the Eagle Makerspace at the Menifee Valley Campus. **msjc.edu/makerspace**
- **OUTREACH** coordinates the outreach and recruitment efforts for the entire MSJC district, including all levels of the K-12 system, focusing on students preparing to graduate high school. Outreach offers informational presentations and application and orientation workshops at your school site or place of business. Contact the Outreach Department to request a campus tour or to include us in your community event or college fair. **(951) 639-5319** or **outreach@msjc.edu**
- **STUDENT HEALTH CENTER** provides triage care, over-the-counter medication, vaccines, reproductive health and awareness information, TB testing, and mental health counseling. **msjc.edu/healthcenter**
- **TRANSFER CENTERS** provide comprehensive services to assist students interested in transferring to four-year colleges and universities, such as counseling, workshops, and events that provide information on admissions requirements, how to apply, application deadlines, and the transition to the university environment. This information is provided for institutions in California's public university systems, Historically Black Colleges and Universities, private colleges, and out-of-state options. **transfercenter@msjc.edu** or **msjc.edu/transfercenter**
- **VETERANS RESOURCE CENTERS** at each campus provide student veterans and eligible dependents of deceased or disabled veterans with counselors specializing in GI Bill benefits and educational counseling. They can help veterans connect with the resources for success and a smooth transition into college life. The centers offer services that include a full-time dedicated school-certifying official, free veteran-to-veteran tutoring and peer mentoring, and free computer use. **(951) 487-3247** or **(951) 639-5237**
veterans@msjc.edu

MSJC Foundation

The MSJC Foundation has changed its focus to become a development auxiliary to the college district. Doing so can better support students, programs, and the college district well into the future. The college district, the MSJC Foundation, and HCN Bank made history with a \$1 million naming rights agreement naming MSJC's new stadium at its Menifee Valley Campus "HCN Bank Stadium." It is the first agreement of its kind in the college's history. As part of the agreement, HCN Bank will collaborate with MSJC to empower students through financial literacy workshops, scholarship opportunities, and career development support. With generous donors and partners like HCN Bank, the MSJC Foundation is poised to help transform learners, communities, and lives. For information, visit [***msjc.edu/Foundation***](https://msjc.edu/Foundation)

Adult Education

MSJC's Adult Education Department serves the community by providing free English as a Second Language (ESL) classes for adults. It also offers non-credit career courses supporting students entering a new career or re-entering the workplace. Classes prepare students to pass the GED exam, which offers a high school equivalency certificate. **(951) 487-3707** or [*msjc.edu/adulted*](https://msjc.edu/adulted)

Contract & Community Education

Contract Education delivers customized training solutions to help businesses shine regarding employee engagement, talent retention, and business growth. Our contract trainers and college instructors design short-term, not-for-credit programs to upskill employees. We address a variety of technical, soft, and leadership skill gaps benefiting employers and employees alike. Community Education not-for-credit, fee-based programs cater to personal and professional development. **(951) 487-3711** or [*msjc.edu/contractandcommunityed*](https://msjc.edu/contractandcommunityed)

Mobile Career Center

The MSJC Mobile Career Center (MCC) is equipped with state-of-the-art technology that allows MSJC to provide career and employment outreach services to all our Riverside County communities. It provides workforce training, job search and employment soft skills preparation, and résumé writing. It can be found at schools, business expos, career and college fairs, parades, veterans' events, and more.

MSJC proudly serves the following cities, unincorporated communities, and Tribal Nations:

Aguanga, Anza, Banning, Beaumont, Cabazon, Calimesa, Canyon Lake, Cherry Valley, Cahuilla Band of Indians, Gilman Hot Springs, Green Acres, Hemet, Homeland, Idyllwild, Lake Elsinore, Menifee, Mountain Center, Morongo Band of Mission Indians, Murrieta, Nuevo, Pechanga Band of Indians, Perris, Pine Cove, San Jacinto, Soboba Band of Luiseño Indians, Temecula, Valle Vista, Wildomar, and Winchester.

Enrollment Checklist

Step 1

ADMISSIONS: Complete an online admissions application and follow the steps at msjc.edu/apply

Step 2

FINANCIAL AID: Complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov

Step 3

ORIENTATION: Complete the online Orientation that is designed to introduce students to the policies, procedures, and services offered at MSJC.

Step 4

COUNSELING: Counselors can assist students in academic, career, and personal counseling. You can schedule an appointment with a counselor during your first semester to finish your path to success.

Step 5

REGISTRATION: Students register for courses online, on or after their assigned registration date and time (emailed after completion of online orientation). Pay all registration fees at time of registration.

Step 6

ATTEND: Check if your course has a free textbook or if you must purchase textbooks through our online bookstore. Lastly, attend classes. For more information, call (951) 672-MSJC (6752). See the latest schedule to see what works best for you at msjc.edu/schedule

HIGH SCHOOL STUDENT ENROLLMENT: MSJC offers various programs that allow qualified high school students to earn college and high school credits while meeting high school graduation requirements. msjc.edu/apply/high-school-students
