

A LEGACY OF TRANSFORMATION

San Jacinto | Menifee | Temecula | San Geronio Pass

MSJC.edu

Message from the Superintendent/President:

Roger Schultz, Ph.D.

Superintendent/President

Mt. San Jacinto Community College District

Mt. San Jacinto College (MSJC) prepares you for the future. Our mission is to help you achieve academic success, whether that's earning an associate degree or career certificate, or earning enough credits to transfer to a four-year college or university.

This viewbook offers you a snapshot of what we have to offer, including a wide array of great career and instructional programs, inspirational faculty members, engaging events and integral student support.

We're committed to supporting the diversity of our students and proudly created the MSJC Equity Pledge. We define equity as an investment and commitment to achieving parity in academic outcomes by removing institutional barriers and creating an inclusive and culturally affirming learning environment at MSJC.

Our quality programs and award-winning faculty and staff will prepare you for the evolving world around us and support our vision of transforming learners, transforming communities, and transforming lives.

We invite you to join us. We're here to help you succeed.

MISSION STATEMENT

Mt. San Jacinto College offers quality, accessible, equitable and innovative educational programs and services to students aspiring to achieve their academic, career and personal development goals.

We provide students a safe environment in which to pursue basic skills, career and general education pathways. Our programs lead to transfer; associate degrees and certificates, which meet workforce development needs in our diverse communities.

Our commitment to learning and achievement empowers students to enrich our communities and participate meaningfully in today's complex world.

VISION STATEMENT

Transforming Learners.

Transforming Communities.

Transforming Lives.

One of California's 116 community colleges

MSJC
Mt. San Jacinto College

FACULTY

Our inspiring faculty members provide the highest level of instruction in a relaxed and safe environment. They come from the best universities in the U.S. and abroad and share a common passion for teaching. Many have received awards in their fields, hold doctorates, are published authors, and have exceptional research and real-world experience. Here is just a sample of some of our outstanding faculty members:

John Torres

John has been a professional archaeologist and anthropologist for more than 25 years. The bulk of his research has been in Southern California, the Great Basin and the Southwest, however he has also worked in the Yucatan, Bolivia, and throughout Europe. As a tenured instructor of anthropology at MSJC he emphasizes a cultural-ecology approach. John is of Chicano and Navajo descent and makes it a point to focus on connections between the past and present.

Christina Yamanaka and Erik Ozolins

Christina and Erik have served as the directors of the Honors Enrichment Program on the Menifee Valley and San Jacinto campuses and have earned the MSJC Foundation's Outstanding Faculty Member of the Year honors. A history professor, Christina has received the Phi Theta Kappa honor society's Hallmark Award for her past service as the PTK advisor. Chair of the Anthropology Department at MVC, Erik is past president of the Honors Transfer Council of California and serves as research associate at the Western Science Center in Hemet, where he recently collaborated on a new student internship program.

Julie Satow Freeman

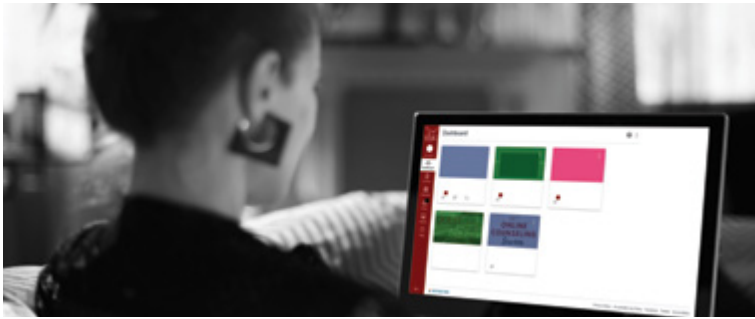

Chair of the Department of Dance, Julie has taught at MSJC for more than 20 years. Performance highlights include dancing at the Japan American Theatre as part of the Olympic Arts Festival, as well as in the full-length opera "Les Noces," and performing solo work at the Edinburgh Festival Fringe in Scotland. Julie cofounded P.L.A.C.E. Performance, a dance collective that provides supportive, noncompetitive performance opportunities for dance artists in Riverside County.

SUCCESS! PATHWAYS

MSJC programs are arranged into SUCCESS! Pathways – each designed to create a path to a career and academic degree, certificate, concentration or skill set. Identify a program based on your interests and career focus. Through innovative teaching, redesign and overlapping support, SUCCESS! Pathways empowers a community to work together to provide equitable services to close achievement gaps and enable all students to discover their potential and realize their dreams.

msjc.edu/pathways

ONLINE LEARNING

Online Real-Time are classes with required, scheduled, live online meetings to provide simultaneous interaction with the instructor and other students in real time.

Online Anytime are classes that are available on your own time, 24/7 via Canvas. Interaction with the instructor and other students may take place through discussion boards, group assignments, email, and other means. While instructors may offer optional Zoom sessions, there are no required real-time meetings.

Blended courses offer a combination of Online Real-Time and Online Anytime components. There will be required, scheduled, live online meetings, and more flexible instruction that is available on your own time.

Hybrid courses are a combination of face-to-face and online. Courses such as nursing and automotive require some face-to-face meetings, for example.

CAREER EDUCATION

MSJC can help get you ready for high-wage, high-skill jobs that are in demand. Our courses are taught by top professors in real-world environments equipped with current, industry-specific technology, tools, equipment and curriculum. MSJC is ready to prepare you to start, advance, or build your job skills.

Learn more at msjc.edu/CareerEducation

ADMINISTRATION OF JUSTICE

The Administration of Justice and Corrections program prepares students to earn a certificate, associate degree or associate degree for transfer to a four-year university. The program is designed to prepare students for entry into various careers within the criminal justice field at the federal, state, county or municipal levels. This includes police officer, deputy sheriff, probation/parole officer or corrections officer. Courses include working with the latest equipment and technology: use-of-force and driving simulators, 3D laser crime scene and collision reconstruction scanners, forensics equipment and computerized composite sketching software.

AUTOMOTIVE TECHNOLOGY

The Automotive Technology program at MSJC emphasizes a real-world approach to diagnostic skill building and a thorough understanding of system theory and operations. This is accomplished using computer programs, audiovisual aids, instructor-led demonstration and hands-on experience, such as state-of-the-art simulators, mock-ups and modern vehicles.

AVIATION SCIENCE

Aviation Science prepares students to become professional pilots or flight operations specialists. The program can be tailored to meet the needs of individual students and is designed for students without any flying experience.

BUSINESS ADMINISTRATION

MSJC's Business Administration program offers various degree and certificate pathways including an associate degree, associate degree for transfer, and certificates, including an employment concentration in project management.

COMPUTER SCIENCE INFORMATION SYSTEMS/CYBER SECURITY

CSIS offers students a well-equipped technical environment for both instruction and lab. All CSIS courses are taught in computer-equipped classrooms, allowing hands-on experience in the use of industry standard hardware, application software, operating systems, networking and programming tools. In addition to the CSIS degree, MSJC offers focused, specialized areas of study in networking, Internet authoring, programming and others.

NEED HELP FINDING A JOB?

Let us help you gain the skills and experience to succeed in today's workforce.

Apprenticeship and Work Based Learning offers work-based learning opportunities through internships, apprenticeships, and work experience education programs. Gain hands-on training in high-demand fields while earning college credit. Meet with our job developer to polish your resume, practice interview skills, and develop professional soft skills.

Learn more at msjc.edu/apprenticeship or contact us at 951-639-5352 awbl@msjc.edu

CREATIVE MEDIA

Creative Media students learn hands-on industry-ready skills in video production, visual effects, audio, photography, web design or social media marketing to get started in the expanding digital media field. Students have access to cutting-edge equipment, with courses taking place in both classrooms and professional live-streaming studios.

CULINARY ARTS

The Culinary Arts certificate program provides training in both culinary and baking and pastry. Our state-of-the-art kitchen and robust curriculum ensure students will learn the skills necessary for employment in many food-service kitchens.

ENGINEERING TECHNOLOGY

The program is committed to providing a great start for people who want to get straight to work in engineering and related fields or continue their engineering education. You may work toward any engineering field, including civil, architectural, electrical/electronics, mechanical, and manufacturing.

GEOSPATIAL INFORMATION SCIENCE (GIS)/DRONE

GIS provides students with a framework for gathering, managing, and analyzing data. GIS analyzes spatial location and organizes layers of information into visualizations using different kinds of map images and incorporating 2D and 3D scenes.

NURSING AND ALLIED HEALTH

MSJC offers many career options in the health field. Some require one or two semesters to complete, such as emergency medical technician (EMT). Others, including diagnostic medical sonography (DMS), take four semesters. Within the Nursing and Allied Health program, the career-ladder approach to education enables students to set short-and/or long-term attainable goals. MSJC's Nursing program continues to rank among the top programs in the state and nation with consistently higher National Council Licensing Exam pass rates than most schools, ranging between 95% and 100%. The job market for Registered Nurses is forecast to grow nationwide, and nursing graduates secure employment in our region.

VITICULTURE, ENOLOGY & WINERY

The science of making wine, wine hospitality and soil analysis are among the studies available for certificates.

STUDENT LIFE

MSJC offers students enriching opportunities that go beyond the typical two-year college experience. Student Life is bustling with clubs and a host of activities each month, including student BBQs, homecoming events and more.

MSJC's Student Government Association (SGA) represents student interests and rights by stimulating student awareness of important issues and involvement in academic, cultural, social and community activities. The Talon reports on the news to share with students.

Students can participate in the Honors Enrichment Program or MSJC's 5-star chapter of Phi Theta Kappa, the international honors society. The leadership classes, Puente Project, Umoja Community, and A2MEND programs prepare students to continue their education and recognize their achievements.

PRIDE & HONOR

The MSJC Athletics Department features 12 intercollegiate sports teams: seven women's and five men's teams.

In women's athletics, the Eagles participate in basketball, golf, soccer, softball, tennis, and beach and indoor volleyball. The men compete in baseball, basketball, football, golf and tennis.

Among the MSJC alumni in the professional sports arena is former NBA first round draft choice Jamaal Tinsley. MSJC student-athletes continue to matriculate at a rapid rate as former Eagles are spread out across the country with a combined total of more than \$1 million in scholarships.

On the fields and courts, the Eagles have had tremendous success with numerous post-season appearances, multiple conference championships and the 2018 state title in women's basketball.

MSJC provides an unrivaled Student Athlete Support Program that helps student-athletes reach their full potential personally and academically. Services include a Student Athlete Study Center, Scholars Program, Tutoring and Progress Reports. Athletes can also benefit from the Summer Bridge Program and the Annual Athletic Forum. The department takes great pride in the academic and athletic accomplishments of MSJC's student-athletes and provides an environment that helps them succeed.

The MSJC Football team won the 2021 American Championship Bowl

TRANSFER TO A UNIVERSITY

Transfer WITH A *guarantee*

The Associate Degree for Transfer (A.A.-T or A.S.-T) or ADT guarantees students will meet the California State University (CSU) system minimum eligibility requirements. Students earning an ADT will be admitted to a CSU (not necessarily to a particular campus or major). You may be granted a bump in your GPA when applying to an impacted campus outside your local area or an impacted major that is deemed similar.

If you are admitted and enrolled in a designated similar degree program, you can complete your bachelor's degree with as little as 60 semester units or 90 quarter units of coursework. A counselor will help you determine which CSUs offer bachelor's degrees that correspond to your ADT.

It is still important for you to apply to the schools that interest you and follow admissions deadlines to be considered.

TAG agreements may also guarantee admission to some University of California (UC) system colleges upon completion of a contract developed between the student and a four-year representative from the respective university. Agreements do not guarantee admission to the major of your choice.

Learn more at msjc.edu/transfercenter

MSJC TRANSFERS MORE THAN 1,000 STUDENTS A YEAR TO UC, CSU, AND PRIVATE UNIVERSITIES

MSJC is proud of its history of students who achieve some of the top honors in higher education: Jack Kent Cooke Scholarships, Gates Millennium Scholars, Coca-Cola Academic Team Scholars, and more.

Our students transfer to universities across the nation:

Tyler Freeman
Stephen F. Austin
University, Texas

Gabriella Venturo
Cal State San Bernardino

STUDENT SUPPORT

ACCOMMODATION SERVICE CENTER (ASC)

Provides specialized support services such as counseling, testing accommodations and assisting equipment to students with verified disabilities. **951.465.7969**

BASIC NEEDS CENTER – EAGLES LANDING

The new Basic Needs Center provides students with a one-stop location that offers various resources to help them stay the course to succeed at MSJC. Find them in room 1425 at the San Jacinto Campus and at the Menifee Valley Campus soon.

eagleslanding@msjc.edu or **msjc.edu/EaglesLanding**

COUNSELING

The Counseling Department promotes student success by responding to students' individual needs through academic, career, transfer, personal and crisis counseling. The first term is a critical time for new students that never attended college, and the counselors at MSJC are ready to help you launch a successful beginning, starting with the First Semester Planning Session, which provides new students with an educational plan.

msjc.edu/hub

STUDENT SUPPORT HUB

The online Student Support Hub is a one-stop shop that provides students with a starting point for assistance with enrollment, financial aid, counseling and more. This one-stop shop provides the best ways to reach out to the various departments, such as the Welcome Center during regular operating hours. The Hub also provides information about academic, technology support, emergency services, and additional Student Service areas.

msjc.edu/hub

WELCOME CENTERS

The centers assist students with the steps to become a MSJC student, online application, registration and other online enrollment services online orientation. The Welcome Center can help with the Free Application for Federal Student Aid (FAFSA). The Welcome Center is located on the SJC, MVC and TVC campuses. The centers have professional staff and skilled student mentors to help you with your questions. It is a great place for new students to start their journey. msjc.edu/hub

- Continuing/Returning Students
- Military Veterans
- Incoming Transfer Students
- First Year Experience Students
- Prospective Students
- International Students

Christine Brennan

Nursing graduate from Lake Elsinore who earned the RN Endowment Scholarship.

“From the bottom of my heart, I am sincerely grateful for this honor. I work very hard in school and you have blessed me beyond measure by selecting me for this amazing scholarship!”

The MSJC Foundation has changed its focus to become a development auxiliary to the college district. In doing so, it can better support students, programs, and the college district well into the future.

The college district and the MSJC Foundation and HCN Bank made history with a \$1 million naming rights agreement that names MSJC’s new stadium at its Menifee Valley Campus “HCN Bank Stadium.” It is the first agreement of its kind in the college’s history. As part of the agreement, HCN Bank will collaborate with MSJC to empower students through financial literacy workshops, scholarship opportunities, and career development support.

Together with generous donors and partners like HCN Bank, the MSJC Foundation is poised to help transform learners, transform communities, and transform lives.

For information, visit msjc.edu/Foundation

ADULT EDUCATION

MSJC's Adult Education Department serves the community by providing free English as a Second Language classes for adults. It also offers non-credit career courses supporting students entering a new career or re-entering the workplace. Classes prepare students to pass the GED exam, which offers a high school equivalency certificate. **951.487.3707** or **msjc.edu/adulted**

CONTRACT & COMMUNITY EDUCATION

Contract Education delivers customized training solutions to help businesses shine when it comes to employee engagement, talent retention, and business growth. Our contract trainers and college instructors design short-term, not-for-credit programs to upskill employees. We address a variety of technical, soft, and leadership skill gaps benefiting employers and employees alike.

Community Education not-for-credit, fee-based programs cater to personal and professional development. Across generations, our online and in-person programs support your curiosity and career success as a lifelong learner. Some programs prepare for industry certification exams while others quench your thirst for an engaging learning experience.

951.487.3711 or **msjc.edu/contractandcommunityed**

MOBILE CAREER CENTER

The MSJC Mobile Career Center (MCC) is equipped with state-of-the-art technology that allows MSJC to provide career and employment outreach services to all our Riverside County communities. It provides workforce training, job search and employment soft skills preparation, and résumé writing. It can be found at schools, business expos, career and college fairs, parades, veterans' events and more.

BECOME AN MSJC STUDENT
