Congratulations, MSJC Class of 2024!

CONGRATULATIONS, MSJC CLASS OF 2024!

Eagles, you are among a unique group of Mt. San Jacinto College graduates as we celebrate 60 years of education and service in the region. This year's graduation theme is "A Legacy of Transformation."

You should be proud of your perseverance in completing your educational journey and overcoming unexpected challenges while earning your degrees or certificates at MSJC.

Your time at MSJC represents a defining moment in your lives. Regardless of any obstacles you may confront moving forward, I encourage you to face them, solve them, learn from them, and lead the way for others to do the same. Boldly move into your future, reach new heights, and soar into your own legacy of transformation.

We are honored that you entrusted MSJC faculty and staff to further your education to help you earn a degree or certificate, transfer to another institution of higher learning, or boost your skills to succeed in your career.

I hope you enjoyed your college experience outside of your MSJC classes, whether by joining our student government or one of our many other student clubs, playing on a team, or participating in countless activities and events.

Our mission at MSJC is simple: We're here to help you succeed. We want to empower you with knowledge and the skills to improve your lives, and to make our world a better place.

No matter what path you choose, I encourage you to continue to seek out new challenges and educational opportunities throughout your lifetime. We are richer as a society when we build upon our education and embrace our roles as lifelong learners.

You've reached a momentous milestone. Your accomplishments at MSJC will change your lives forever. It has been an honor to serve and support you on your educational journey.

You are MSJC's "Legacy of Transformation." Congratulations!

Roger W. Schultz, Ph.D.
Superintendent/President

A MESSAGE FROM FACULTY, STAFF AND STUDENT LEADERSHIP

What an incredible experience it has been to watch you grow, learn, and evolve into civically responsible ambassadors of change! Being part of your academic endeavors at MSJC has enriched our lives with meaningful connections and memories that will last us a lifetime. We see your incredible potential to contribute to our local and worldly communities. We feel the collective power of your diverse identities and passions that perpetuate the sociocultural changes that will transform our world in the decades to come! We hope your educational experiences at MSJC provided each of you the freedom to explore your talents and ingenuity as you set out to realize your fullest potential! Commencement may mark the conclusion of your time at MSJC but it also represents the beginning of what is to come as you take flight onto your next venture! Be BOLD, Eagles. Write your OWN story. Share your AMAZINGNESS with the world. Set your sights on new horizons and take FLIGHT! ONCE an Eagle, ALWAYS an Eagle!

Michelle Vogel Trautt
President, Academic Senate

Bravo! You have just completed an amazing chapter. There were obstacles and dragons to slay, and now find yourselves victorious graduates, but the story is not over. Just like every hero's journey, more challenges await. New levels of your potential are waiting to be discovered and unlocked. Lean into those challenges; remember you can overcome anything with perseverance. Do not settle for mediocrity, pursue what makes you happy with every ounce of bravery and be a shining example of what courage looks like. Use your education as the vehicle to surmount all the mountains in your future and one day stand atop the peak in awe, overlooking all that you have traversed. These are fleeting moments and even this moment will, in a few minutes, just be a memory. So let go. Real magic happens when you get out of your head and on that unpaved road. Wander and wonder, live curiously, be adventurous, and audacious. Be the beacon that inspires others. Congratulations!

Rony Armas
President, Classified Senate

Legacy is what we do in the dark when no one else is watching. Legacy is elevating the voices of others through your platform when you are in a position of privilege. Legacy is fighting for what you believe in, even if it means going against all the odds. Congratulations class of 2024! Together, we have created an everlasting legacy through perseverance, dedication, and resilience. With unwavering courage, we faced the obstacles in front of us. We stood our ground and will continue to move forward with our talons hidden, and our wings prepared to fly. We must continue crafting our legacies and transform the fabric of our society so that others can have hope. Serving as your Student Government Association President has been the most pleasurable and rewarding experience. Thank you to the MSJC community for enriching our lives. It is time to leave the nest. Go Eagles, Go!

◆ – With Distinction 3.5 - 4.0 G.P.A.

Ⓜ – Honors Enrichment Program

Φ – ΦΘK Phi Theta Kappa Member

The listing of a student's name in this commencement program indicates presumptive evidence of graduation but should not be considered conclusive evidence of graduation. Final award of degrees, certificates and honors will be confirmed once the final grades from the Spring 2024 semester have been submitted and assessed.

Please Note: Some students have requested that honors not be designated by their name. Therefore, the absence of honors listed in the program does not necessarily mean the student will not receive honors. Honors as listed do not include grades earned during the Spring 2024 term. Final honors designations will be given once the final grades for Spring 2024 have been calculated.

TRADITION

The formal academic regalia seen at Mt. San Jacinto College comes from hundreds of years of tradition, some standardization determined by American Colleges and Universities and some modifications just for this college.

Gowns and hoods date back to the clothing styles in the monasteries of the early European Middle Ages when monks who ran the schools provided their students with garments like their own, to keep warm in drafty buildings. The style was carried over into secular schools and continued until association was made with education rather than religion. In fact, because the garb was practical, it continued until the early 1800's to be worn daily to class by university faculty and students.

Mortarboards, commonly called "caps," have an even more practical origin than robes and hoods. According to tradition, John Calvin, a 16th century religious reformer, designed the special headgear as protection against pigeons that roosted in the rafters of the buildings where he taught.

Today, academic clothing is worn only for scholarly ceremonies such as commencements and dedications. The hood today is only an accessory and has no practical use.

In the 1890's, American higher education institutions formed a committee to standardize styles and colors to represent individual colleges, study disciplines, and degrees. These standards continue to present day, with minor modifications from college to college.

At Mt. San Jacinto College, the graduating class wears black robes and mortarboards. However, certificate recipients wear red and RN program graduates wear white. There are neither hoods nor color trim for the holders of Associate (two-year) degrees. A gold tassel without a Phi Theta Kappa key signifies the wearer has a grade point average (GPA) of 3.5 to 4.0. Graduates with a 4.0 GPA also receive a bronze medal to wear. 4.0 GPA graduates walk at the head of the student procession. Students who have completed the Honors Enrichment Program wear a purple and grey honors cord, symbolizing enlightenment and wisdom. The gold tassel with the Phi Theta Kappa key indicates membership in Phi Theta Kappa and a 3.3 GPA or higher. In addition to the special key, Phi Theta Kappa members are also entitled to wear a gold stole. All other tassels are a mix of red, black, and white – the college colors.

Graduates wear their tassel on the right side of the mortarboard as they enter and move the tassel to the left side at the conclusion of the ceremony. This is repeated upon award of the Bachelor's degree. After that, the tassel is always worn on the left.

Faculty, staff and administrator regalia colors also have special significance. The width of the colored trim on the gowns, length of hood, and sleeve designs are all different at each degree level. For example, the trim on the Bachelor's robe is one inch wide, a Master's robe trim is three inches, and a Doctoral robe trim is five inches wide. Doctoral robes also have three velvet stripes on each sleeve.

Regalia colors have special significance. The color of the silk lining of the hood tells the college that awarded the degree. Nearly one hundred fifty (150) different institutions are represented by MSJC's faculty and administration. The color of the trim represents the discipline:

OUR COMMITMENT TO DIVERSITY, EQUITY, INCLUSION, AND ACCESS

We are honored to serve students from a broad range of cultural heritages, identities, socioeconomic backgrounds, life experiences, genders, abilities, and orientations, and value the contributions therein. MSJC affirms and celebrates the full diversity of its students and strives to include programs, services, and other opportunities where the multiplicity of our student body is represented and reflected.

We are pleased to include an indigenous land acknowledgement statement and singing of the Black National Anthem, “Lift Every Voice and Sing” as part of our ceremonies. It is our privilege to recognize and regard Indigenous Peoples as traditional stewards of this land and the enduring relationship that exist between Indigenous Peoples and their traditional territories. Secondly, we highlight “Lift Every Voice and Sing” as part of our continued commitment to attest and center the voices of our African American and Black leaders, professionals, and students.

At MSJC it is our hope that these actions contribute to and uphold the work we’ve endeavored toward creating equity and deconstructing systemic racism for our students and within our community.
