Mt. San Jacinto College

"INLAND EMPIRE'S LARGEST CARS & COFFEE"

WHO WE ARE

Local Car Scene is a car event promotion company out of Temecula that started in 2012 hosting grass root style meets. 10 years later we're hosting over 25 events throughout the year across Riverside County. The events have a lot of care and passion put into them from people who truly care about the experience of the guests, and sponsors.

Cars & Coffee allows anyone and anything to display their car. We strive to provide a family friendly enviroment full of amazing show cars no matter their origin. We thought, why doesn't anyone successfully gather an event where everyone is welcomed?
