

Mt. San Jacinto College Foundation Board of Director or Ambassador Recommendation Form

Mt. San Jacinto College is a comprehensive community college that is one of California’s 115 community colleges. A single college District, MSJC serves a 1,700-square mile area from the San Geronio Pass to Temecula. We serve students throughout this region from the San Jacinto, Menifee Valley and San Geronio Pass campuses, Temecula Higher Education Center, and many off-site locations.

The MSJC Foundation was formed in 1983 as an auxiliary of the Mt. San Jacinto College District. As a nonprofit, tax-exempt 501(c)3 corporation, the MSJC Foundation’s mission is to promote student success by enhancing the quality of higher education throughout the district. The Foundation was formed to receive gifts for the college from individuals, corporations, community alliances, and foundations and to provide scholarships, mini-grants, and direct funding to enhance MSJC's services and programs.

The MSJC Foundation is governed by a Board of community volunteers and District Directors. The Directors set policy, provide oversight and resources, and solicit support. Because of each Director’s commitment to these activities, MSJC is better able to serve students and local community. The Directors and Foundation are supported by a group of community Ambassadors that have an active non-fiduciary role of support on ad-hoc committees and designated areas of focus.

Who do you know someone, or would you be a good addition to the MSJC Foundation Board of Directors or as an Ambassador? A strong candidate is someone interested in helping MSJC, is committed to education and worthy causes in the community and has the capacity to contribute and/or bring in contributions to the MSJC Foundation.

After review by the Director of the MSJC Foundation, candidates will be contacted for an initial conversation and opportunity to ask questions about the Foundation and role of the Directors and/or Ambassadors. Secondly, the Board Development Committee, will invite the candidate to meet with a group from the committee. This is an opportunity for members of the board and the individual to get acquainted and an additional opportunity to ask questions or share information before a candidate is presented to the MSJC Foundation Board of Directors for confirmation in June of each fiscal year.

Newly elected Directors will begin their two-year terms on July 1 following the June board meeting in which they were confirmed and after they are appointed by the MSJC Board of Trustees or Designee.

Please submit this recommendation to the Director of the MSJC Foundation, Rebecca Orlauski at rorlauski@msjc.edu.
