“Help a Student” Grant Application and Guidelines

The Mt. San Jacinto College Foundation exists for the purpose of providing support to the faculty, staff and students of MSJC. In addition to student scholarships, the “Help a Student” Grant is one way the Foundation provides support for students that are not eligible for funding from traditional resources. Funds for this grant are provided by MSJC students that make a donation to the “Help a Student Fund” with additional support from the MSJC Foundation.

What are Help a Student Grants?

The grant is an institutional program to allow students that are not eligible for Financial Aid and/or EOPS to apply for funds to cover books and supplies, institutional charges and fees up to \$250.00.

**Students that qualify for Financial Aid and/or EOPS are receiving financial assistance that can be utilized to cover educational costs beyond tuition fees and are therefore ineligible for this grant*
