Our Purpose

Mt. San Jacinto College Mental Health Counseling Services cultivate safe environments for our students to feel heard and begin their journey towards healing through culturally competent, confidential services that support their socioemotional development and wellbeing while strengthening their sense of community. Our mental health clinicians promote access of care through collaboration and advocacy. We encourage diversity and self-determination and facilitate equity and self-efficacy toward social and educational success.

Hours Available for Traineeship

Monday – Thursday 9-5 On-site client sessions: *In-Person or Telehealth*

Who We Are

We serve a diverse student population from various identities, cultures, socioeconomic backgrounds, life experiences, abilities, and educational needs that represent our community.

Clients Served

16 years (minors in dual enrollment program) and older
