

Mt. San Jacinto Community College District Health Reimbursement Arrangement (HRA) Frequently Asked Questions

What is a Health Reimbursement Arrangement (HRA)?

A Health Reimbursement Arrangement is an interest-bearing, employer-funded account created in your name to reimburse you tax-free in retirement for eligible medical expenses and premiums.

Do I have to enroll?

You were automatically enrolled by your employer. No action is necessary on your part.

What are the benefits of an HRA?

- Employer deposits are tax-free (not subject to FICA, Federal, or State income taxes), so you receive 100% of the value of each benefit dollar.
- Deposits earn interest tax-free.
- Reimbursements from the plan are tax-free for eligible medical expenses and premiums for you, your spouse, and any qualifying dependents, if applicable.
- Account balance rolls over each year and there is no time frame by when you must submit expenses for reimbursement.
- You have the flexibility to choose which eligible expenses and when to submit for reimbursement.

Who is eligible to receive the benefits of my HRA?

You, your spouse, and any qualifying dependents are able to seek reimbursement for eligible medical expenses and premiums from the HRA. Qualifying dependents include children under the age of 27 at the end of the tax year and any tax dependents.

How often will my employer contribute to my account?

Your employer will contribute to your account on a monthly basis. For detailed information regarding contribution amounts and timing, please contact your employer.

Where are funds invested?

Funds are invested in a fixed annuity with a guaranteed rate of return. Investments are provided by American United Life Insurance Company®, a OneAmerica® Company (AUL). For more information on your investments, please visit www.oneamerica.com.

How can I view my account balance and transaction history?

You may access your account balance and activity anytime by logging in to your account on our secure website, www.myMidAmericaJourney.com. If this is your first time logging in, you would simply select **Create Your New Username and Password** from the login page and follow the prompts on the screen to establish your credentials. From your home page, select the **View Plan Activity** button to view additional activity details.

Can I make contributions to my HRA?

Only an employer can fund an HRA. You cannot contribute.

Can I move HRA funds to another plan?

The funds deposited in your account must stay within your employer-sponsored HRA plan.

Can I name a beneficiary?

No. However, a surviving spouse or qualifying dependent will still be able to access funds for eligible medical expenses and premiums. If you do not have a surviving spouse or qualifying dependent, the executor of your estate or trustee can use your remaining funds to reimburse eligible medical expenses and premiums not previously submitted on your behalf, including expenses related to your death. If an account balance still remains after 12 months with no plan activity, the balance will forfeit back to the employer.

What happens if I go back to work for my employer?

Special rules may apply if you return to work for your former employer. Please consult your employer.

Am I still eligible for a Premium Tax Credit (subsidy) if I have an HRA?

Yes. If you qualify for a Premium Tax Credit under the Affordable Care Act (ACA), you must suspend your HRA account balance to receive the credit. You will not be able to submit or incur expenses for reimbursement during the time your HRA is suspended; however, your employer is still able to contribute to your account during the suspension and your account continues to earn interest. The suspension must remain in effect until the end of the year. Please log into your secure online account through www.myMidAmericaJourney.com to obtain the Account Restriction/Suspension Form.

Submitting Claims

What is considered an eligible medical expense?

Most common eligible medical expenses:

- Insurance plan deductibles
- Insurance plan coinsurance
- Office visit copays
- Physician service copays
- Prescription copays
- Over-the-counter drugs*

*IRS requires a doctor's note or prescription for over-the-counter drugs or medication or menstrual care products purchased through December 31, 2019. If purchased on or after January 1, 2020, a prescription or doctor's note will not be required for these items to be considered eligible, per the CARES Act of 2020.

Eligible medical expenses are defined under Section 213(d) of the Internal Revenue Code. A Partial Listing of 213(d) Eligible Medical Expenses has been provided for you online by logging in to your secure account on www.myMidAmericaJourney.com. IRS Publication 502 can also be used as a guide. However, there may be instances where the information in IRS Publication 502 does not apply to Health Reimbursement Arrangements.

What is considered an eligible premium expense?

Most common eligible premium expenses:

- Health insurance premiums
- Dental and vision premiums
- Long-term care premiums subject to IRS limitations
- Medicare Part B, Part C, Part D, and Medicare supplement plans
- Individual policies both on and off the exchange
- Employer-sponsored group coverage premiums as long as they are not paid for on a pre-tax basis

Can I be reimbursed for medical expenses I haven't paid yet?

Yes. You can submit a claim prior to paying the bill as long as you have incurred the expense. The exception to this would be Long-Term Care premiums. Long-term care premiums cannot be set up for recurring reimbursements due to IRS annual limitations based on the year in which the payment was made. For this reason, proof of payment is required for all long-term care claims.

Can I be reimbursed for premium expenses ahead of time?

Premium expenses can only be reimbursed one month ahead of time. You are not able to submit a reimbursement request for more than one month in advance regardless of when those premiums were due and/or if those premiums were already paid.

Will I receive a debit card?

Yes. You will receive two MidAmerica Journey Benefit Cards in the mail in your name. You can give one to any eligible dependent to pay for eligible medical expenses from your account.

How do I submit a claim?

- To submit a claim, log into your account at www.myMidAmericaJourney.com. Please note if this is your first time logging in you would simply select **Create Your New Username and Password** from the login page and follow the prompts on the screen to establish your credentials.

- Direct deposit is available by accessing **Payment Method** from the **Accounts** drop-down menu. From here, you can select how you prefer to be reimbursed from your account.

What type of documentation should I include with my eligible medical expense reimbursements?

You can substantiate your claim with one of the following:

- The Explanation of Benefits (EOB) statement returned to you from the insurance carrier indicating the amount you are responsible for
- Copay receipts if you are covered under a managed care or prescription drug plan
- If there is no insurance for the health care expenses, submit an itemized bill with the following:
 - Name of the provider and patient
 - Service cost, date, and description
 - Notation when there is no coverage

What type of documentation should I include with my premium reimbursement?

You can substantiate your claim with a Premium Notice, such as a bill or letter from the insurance company, which includes the following:

- The premium amount
- The effective date of coverage
- Name of the person insured - this will be you, your spouse or a qualifying dependent

If you are requesting reimbursement of a long-term care premium, you must also provide proof of payment (in addition to the items listed above.)
