October 30, 2026

To the Governing Board and Citizens' Oversight Committee
Mt. San Jacinto Community College District
San Jacinto, California

We have audited the financial statements of Mt. San Jacinto Community College District's (the District) General Obligation Bond Fund (Measure AA) as of and for the year ended June 30, 2026, and have issued our report thereon dated October 30, 2026. We have also performed the performance audit of the District's General Obligation Bond Fund (Measure AA). Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit of the District's General Obligation Bond Fund (Measure AA) under Generally Accepted Auditing Standards and *Government Auditing Standards* and the Performance Audit under *Government Auditing Standards*.

As communicated in our letter dated August 19, 2026, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Additionally, our responsibility, as described by professional standards, is to conduct a performance audit in accordance with *Government Auditing Standards*. Our audit of the financial statements and performance audit does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the District solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and other firms utilized in the engagement, if applicable, have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the District's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the District is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended June 30, 2026 related to the General Obligation Bond Fund (Measure AA). No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive (or present higher risk of material misstatement) because of their significance to the financial statements and because of their complexity, subjectivity, inherent risk factors, greater degree of estimation uncertainty, and the possibility that future events affecting them may differ markedly from management's current judgments. No such sensitive accounting estimates were identified.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There were no financial statement disclosures that we consider to be particularly sensitive or involve significant judgement.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. There were no uncorrected or corrected misstatements identified as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the District's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management which are included in the management representation letter dated October 30, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the District, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the District, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the District's auditors.

Circumstances that Affect the Form and Content of the Auditor's Report

We have made the following modification to our auditor's report.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the General Obligation Bond Fund (Measure AA), and do not purport to, and do not, present fairly the financial position of the District, as of June 30, 2026, and the change in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

This report is intended solely for the information and use of the Governing Board, Citizens' Oversight Committee, and management of the District, and is not intended to be, and should not be, used by anyone other than these specified parties.
