

ARTS, COMMUNICATION & DESIGN PATHWAY PROGRAM MAP: CATALOG YEAR: 2022-23

Digital Media Certificate Focus: Digital Media Design

Have you ever wanted to create professional videos, grow your social media presence, or express an idea through custom animations? Sure, these sound fun, but what if you could make a living doing exactly these and make the jump from media consumer to the creator? The Digital Media program focuses on current industry trends in hardware and software to equip you with the tools you need to become a next-generation storyteller.

Please see a Pathways Counselor: Create an education plan customized to meet your needs. [Contact a Counselor](#)

Sign up for a special project or internship opportunity. Gain [work experience](#) and earn credits.

1. Special Projects
2. Internship/Apprenticeship

Scheduling Notes

Please note that some DIG courses are Fall or Spring classes only.

DIG students have access to equipment rentals and a dedicated tutor center to provide access to the gear and software needed to succeed in their courses

Helpful Hints

Not familiar with computers? Consider taking an intro to computing class before entering a DIG course.

DIG is part of the Creative Media Department and is committed to staying on the front edge of technology and software trends to give you the training you need to work in the current industry.

Not sure what area of DIG you are interested in? Start with DIG 110. It covers it all!
